Linenspa 10-inch Memory Foam and Innerspring Hybrid Mattress with 14-inch Black Metal Platform Bedframe

MODEL: B07R127LD3

Introduction

This manual provides essential information for the setup, use, and maintenance of your Linenspa 10-inch Memory Foam and Innerspring Hybrid Mattress and 14-inch Black Metal Platform Bedframe. Please read all instructions carefully before assembly and use to ensure proper function and longevity of your product.

The Linenspa hybrid mattress combines memory foam comfort with the durability of innersprings, offering a versatile medium feel. The accompanying 14-inch metal platform bed frame provides sturdy support and eliminates the need for a box spring, featuring 13 inches of under-bed storage space.

Setup Instructions

Your Linenspa mattress and bed frame arrive in separate packages for convenient delivery and handling. Follow these steps for quick and easy setup:

1. **Unpack the Bed Frame:** Carefully remove the metal bed frame components from its packaging.
2. **Assemble the Bed Frame:** Unfold the metal bed frame and tighten all bolts securely. This process typically takes less than five minutes.
3. **Unpack the Mattress:** Place the rolled mattress package onto the assembled bed frame. Carefully cut open the outer plastic layers.
4. **Allow for Expansion:** Once unrolled and free from plastic, the mattress will begin to expand. Allow 24 to 48 hours for the mattress to fully decompress and reach its intended 10-inch profile.
5. **Prepare for Use:** After full expansion, your mattress is ready for bedding.

Care Instructions

To maintain the quality and longevity of your Linenspa mattress, please adhere to the following care guidelines:

- **Mattress Cover:** The mattress cover is not removable for washing. Spot clean only.
- **Cleaning:** For spills or stains, use a mild detergent and a damp cloth to gently blot the affected area. Avoid saturating the mattress.
- **Protection:** It is highly recommended to use a mattress protector to shield your mattress from spills, stains, and allergens.
- **Ventilation:** Allow the mattress to air out periodically to maintain freshness.
- **Bed Frame:** Wipe the metal bed frame with a damp cloth as needed. Avoid harsh chemicals.

Troubleshooting

- **Mattress Not Fully Expanded:** Allow up to 72 hours for full decompression, especially in cooler environments. Ensure all packaging has been removed.
- **New Mattress Odor:** A faint odor may be present upon unboxing. This is normal and will dissipate within a few hours to a few days in a well-ventilated room.
- **Bed Frame Squeaking:** Check all bolts and connections on the bed frame to ensure they are securely tightened. Re-tighten if necessary.
- **Discomfort:** The mattress is designed for a medium feel. If you find it too firm or too soft after the initial adjustment period, consider adding a mattress topper for personalized comfort.
