GDFStudio Outdoor 4 Seater Acacia Wood Club Chair and Coffee Table Set

GDFStudio Outdoor 4 Seater Acacia Wood Club Chair and Coffee Table Set

Instruction Manual

INTRODUCTION

This manual provides essential instructions for the assembly, operation, maintenance, and care of your GDFStudio Outdoor 4 Seater Acacia Wood Club Chair and Coffee Table Set. Please read all instructions carefully before assembly and use to ensure safe and proper enjoyment of your furniture.

SETUP AND ASSEMBLY

Your GDFStudio Outdoor 4 Seater Acacia Wood Club Chair and Coffee Table Set requires assembly. All necessary tools and instructions are included in the packaging. It is recommended to assemble the furniture on a soft, clean surface to prevent scratches.

1. Unpack all components and hardware. Verify that all parts are present according to the included parts list.
2. Follow the step-by-step assembly guide provided with your product. Ensure all bolts and screws are securely tightened. Do not overtighten.
3. Once assembled, place the cushions on the chairs.

OPERATING INSTRUCTIONS (USAGE)

This furniture set is designed for outdoor use, providing comfortable seating for up to four individuals and a functional coffee table. Ensure the furniture is placed on a stable, level surface.

- **Seating Capacity:** Each club chair is designed to support one person. The set includes four club chairs.
- **Weight Capacity:** Each Club Chair has a weight capacity of 400 lbs. The Coffee Table has a weight capacity of 240 lbs. Do not exceed these limits.
- **Cushion Use:** The cushions are water-resistant. While they can withstand light moisture, it is recommended to store them indoors during heavy rain or when not in use for extended periods to prolong their lifespan.

MAINTENANCE AND CARE

Proper maintenance will extend the life and preserve the appearance of your acacia wood furniture set.

- **Wood Care:** Wipe the acacia wood frame with a dry cloth to clean. To maintain the wood's appearance and protect it from outdoor elements, apply teak oil as needed. This will help prevent the wood from darkening over time and keep it looking sleek.
- **Cushion Care:** The cushions are made from water-resistant fabric, making spills easy to clean. Simply wipe any spills with a damp cloth. For deeper cleaning, use a mild soap solution and rinse thoroughly. Allow cushions to air dry completely before storing or reusing.
- **Storage:** To extend the lifespan of your furniture, especially the cushions, cover or store them indoors when not in use for prolonged periods or during inclement weather.

Gray Finish, Dark Gray

TROUBLESHOOTING

If you encounter any issues with your furniture set, please refer to the following common solutions:

- **Loose Connections:** Periodically check all bolts and screws to ensure they remain tight. Retighten as necessary to maintain stability.
- **Wood Discoloration/Fading:** Exposure to direct sunlight and weather can cause wood to fade or change color over time. Regular application of teak oil, as described in the Maintenance section, can help restore and protect the finish.
- **Cushion Stains:** For stubborn stains on cushions, use a fabric cleaner suitable for outdoor, water-resistant materials. Always test on an inconspicuous area first.

SPECIFICATIONS

Feature	Detail
---------	--------

Feature	Detail
Brand	GDFStudio
