bakibo BK-TI8S

bakibo BK-TI8S Bluetooth 5.0 Wireless Earbuds

USER MANUAL

Introduction

Thank you for purchasing the bakibo BK-TI8S Bluetooth 5.0 Wireless Earbuds. These earbuds are designed to provide a high-quality audio experience with advanced features such as Bluetooth 5.0 connectivity, 3D stereo sound, deep bass, and noise reduction technology. The IPX7 waterproof rating makes them suitable for various activities, including sports. This manual will guide you through the setup, operation, and maintenance of your new earbuds.

Package Contents

Please check the package for the following items:

- bakibo BK-TI8S Wireless Earbuds (Left and Right)
- Portable Charging Case
- USB Charging Cable
- User Manual
- Multiple sizes of ear tips (typically included)

Product Overview

The bakibo BK-TI8S earbuds feature an ergonomic design for comfortable and stable wear. Each earbud is lightweight, weighing approximately 3.5 grams. The charging case is compact and portable, allowing for convenient charging on the go. These earbuds also boast IPX7 water resistance, making them suitable for workouts and outdoor activities.

Setup

1. Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. Place the earbuds into the charging case. Connect the USB charging cable to the charging port on the case and to a USB power source. The indicator lights on the case will show the charging status.

- The charging case can provide 2-3 full charges for the earbuds.
- Earbuds can last 3.5 to 4 hours of music playback on a single charge.

2. Automatic Pairing

The earbuds are designed for automatic pairing for ease of use.

1. **Initial Pairing:**
    - Remove both earbuds from the charging case. They will automatically power on and connect to each other.
    - On your device (smartphone, tablet, etc.), enable Bluetooth and search for "T18S".

- Select "T18S" from the list of available devices to connect.
- Once connected, the earbuds are ready for use.

2. **Subsequent Pairing:**
    - After the first successful connection, the earbuds will automatically connect to the last paired device when removed from the charging case.

Image: A visual guide illustrating the automatic pairing process: remove earbuds from the case, and they will connect to each other and then to your Bluetooth device.

Operating Instructions

The bakibo BK-TI8S earbuds feature intuitive touch controls for managing audio playback and calls.

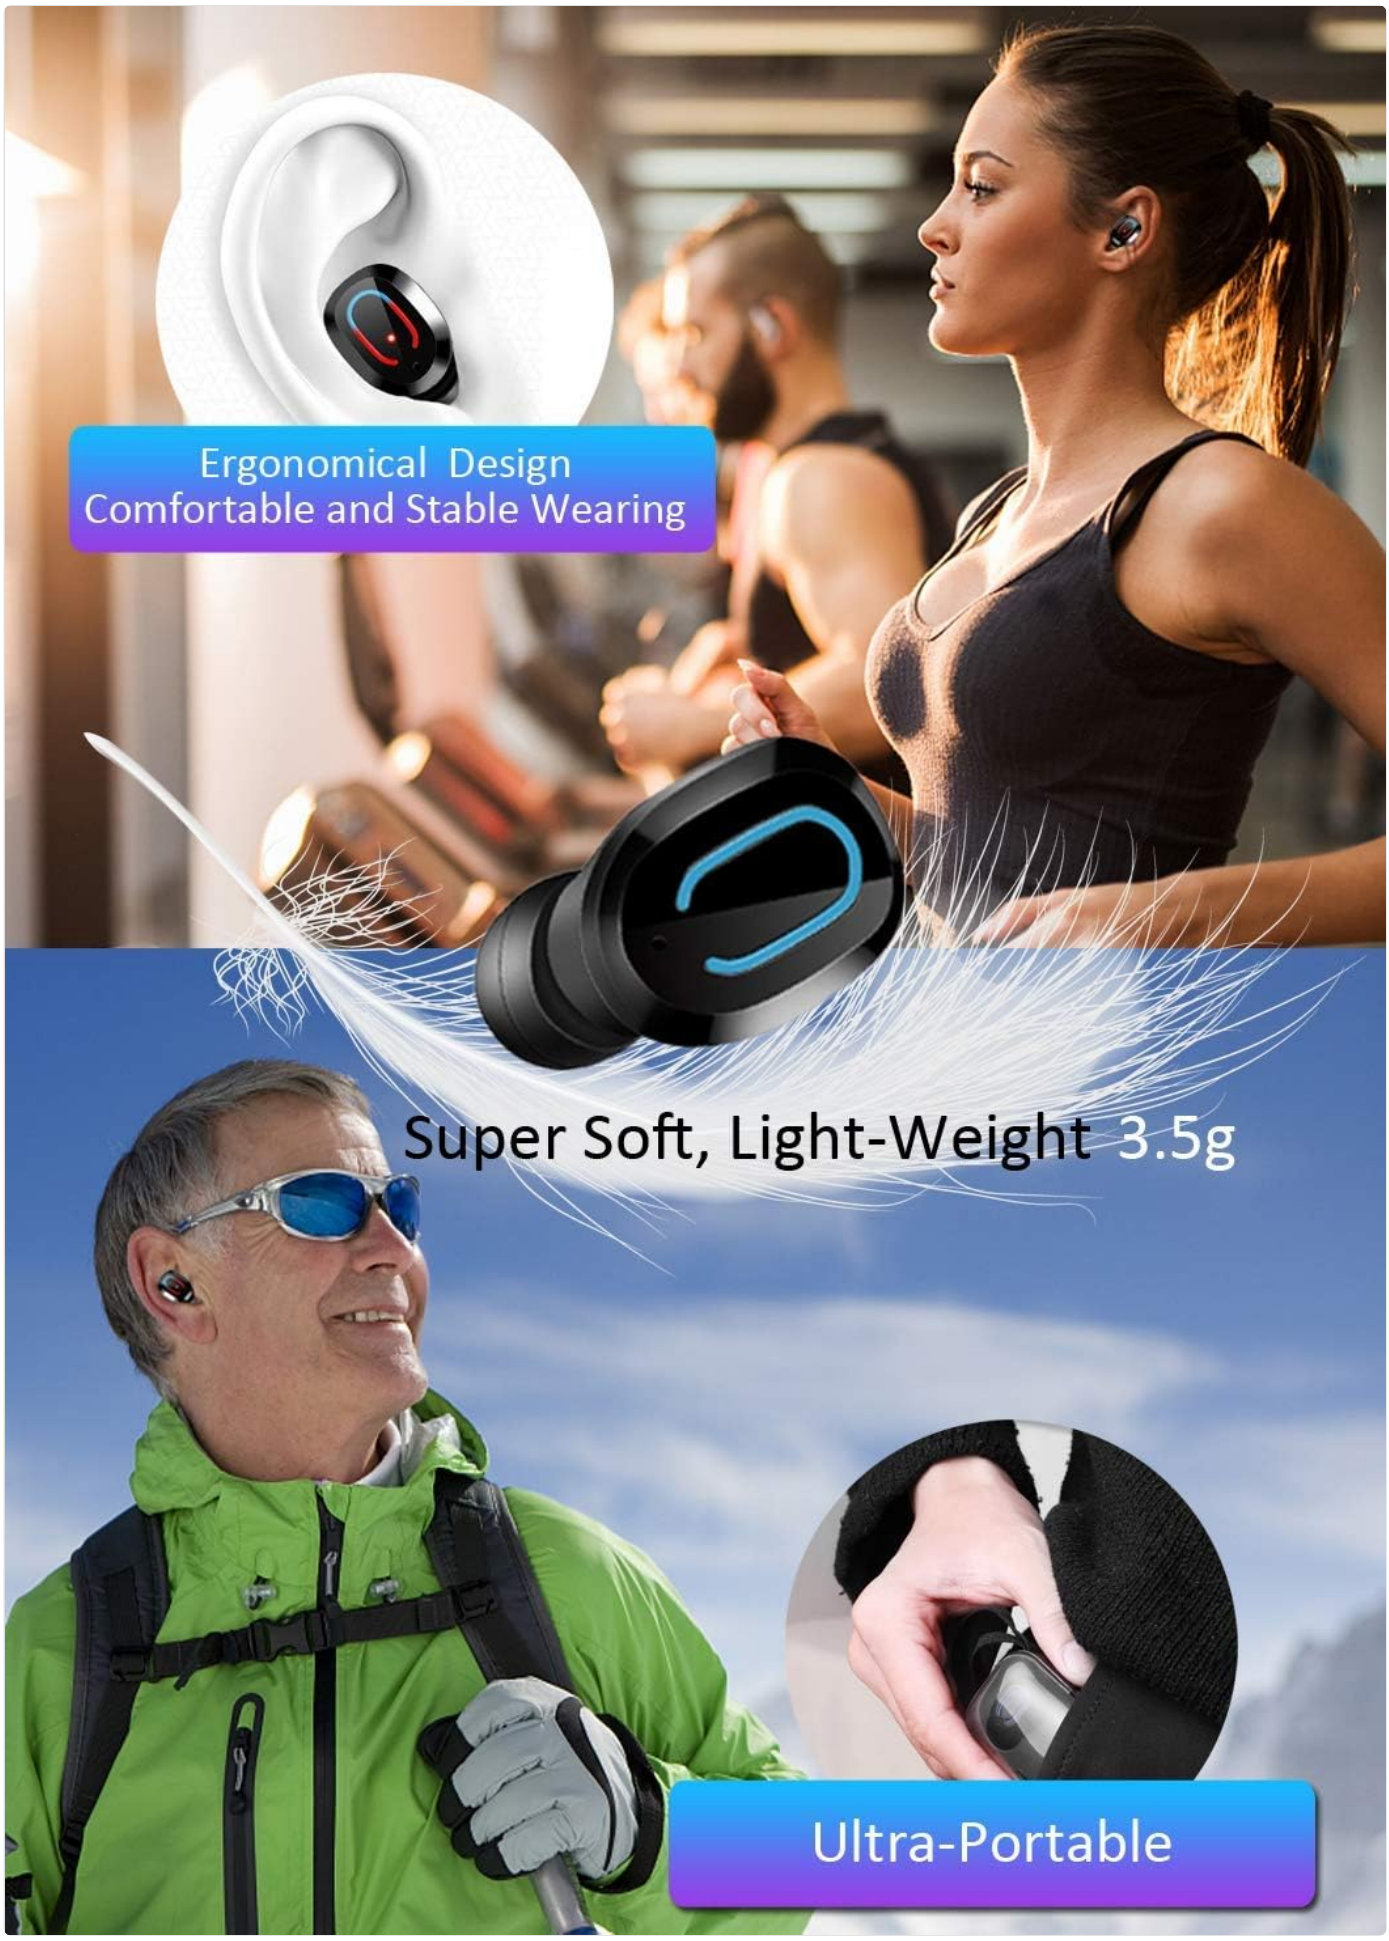

Image: A diagram detailing the touch control functions on the earbuds for play/pause, call management, and track skipping.

Music Playback

- **Play/Pause:** Click the button once.
- **Next Song:** Double-click the button.

Call Management

- **Answer/Hang Up:** Click the button once.
- **Refuse Call:** Double-click the button.
- **Call Back:** Stop music first, then double-click the button.

Maintenance

Proper maintenance ensures the longevity and optimal performance of your earbuds.

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry cloth. Do not use abrasive cleaners or immerse them in water, despite their IPX7 rating, as this rating is for splash and sweat resistance, not submersion.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage. Store in a cool, dry place away from extreme temperatures.
- **Battery Care:** To preserve battery life, charge the earbuds and case regularly, even if not used frequently. Avoid fully discharging the battery for extended periods.

Troubleshooting

If you encounter issues with your bakibo BK-TI8S earbuds, refer to the following common solutions:

Problem	Solution
Earbuds not pairing with device.	Ensure earbuds are charged. Turn off and on your device's Bluetooth. Forget "T18S" from your device's Bluetooth list and try pairing again.
Only one earbud is working.	Place both earbuds back into the charging case, then remove them simultaneously to allow them to re-sync with each other. Ensure both earbuds are charged.
No sound or low volume.	Check the volume level on both your device and the earbuds. Ensure earbuds are properly connected. Try restarting your device.
Charging case not charging.	Verify the USB cable is securely connected to both the case and the power source. Try a different USB cable or power adapter.

Specifications

Key technical specifications for the bakibo BK-TI8S Wireless Earbuds:
