BATURU T-388

BATURU T-388 Kids Walkie Talkies Instruction Manual

Model: T-388 | Brand: BATURU

INTRODUCTION

Thank you for choosing BATURU Kids Walkie Talkies. This manual provides essential information for the safe and effective use of your new communication devices. These walkie talkies are designed for children aged 3 and up, offering a fun and reliable way to stay connected during various activities. Please read these instructions carefully before use.

PRODUCT FEATURES

- **3-Mile Crystal-Clear Range:** Maintain strong signals across backyards, parks, and neighborhoods for uninterrupted communication.
- **Smart Auto-Off:** Automatically powers off after 90 minutes of inactivity to conserve battery life.
- **Crystal-Clear Sound:** Advanced noise-filtering technology and enhanced speakers ensure loud, clear conversations.
- **Keypad Lock:** Hold the Menu button for 3 seconds to lock settings, preventing accidental channel changes.
- **Durable Design:** Engineered to withstand drops and rough outdoor play.
- **Find-Me Now! Call Alert:** Press the call button to activate a loud locator beep on any walkie talkie, helping to locate lost devices.
- **Built-in Flashlight:** Provides illumination for low-light conditions or nighttime adventures.
- **22 Channels:** Offers multiple channels for private conversations.

PACKAGE CONTENTS

- 3 x BATURU Kids Walkie Talkies (Blue, Pink, Green)

6. Automatic Power-Off:

- The walkie talkies are equipped with an automatic power-off feature that activates after 90 minutes of inactivity to conserve battery life.

7. VOX (Voice Operated Exchange) Mode:

- This feature allows hands-free communication. To activate, press the Menu button twice until 'VOX' appears on the screen. Use the Up/Down buttons to select a sensitivity level (1-3, with 3 being most sensitive). Press Talk or Menu to confirm.
- When VOX is active, the walkie talkie will transmit automatically when it detects your voice.

MAINTENANCE

- **Cleaning:** Use a soft, damp cloth to clean the exterior of the walkie talkies. Do not use harsh chemicals or abrasive cleaners.
- **Battery Care:** Remove batteries if the devices will not be used for an extended period to prevent leakage.
- **Storage:** Store the walkie talkies in a cool, dry place away from direct sunlight and extreme temperatures.

TROUBLESHOOTING

Problem	Solution
No power	Check battery installation and replace with fresh AAA batteries if needed. Ensure the power button is pressed and held until the screen lights up.
Cannot communicate with other units	Verify that all walkie talkies are set to the same channel. Ensure you are within the effective range.
Poor sound quality/static	Adjust the volume. Move closer to the other unit. Ensure there are no major obstructions (e.g., thick walls, large metal structures) between units.
Buttons not responding	Check if the keypad lock is activated. Press and hold the Menu button for 3 seconds to unlock.

SPECIFICATIONS
