## TushBaby Original Hip Seat Baby Carrier

# TushBaby Original Hip Seat Baby Carrier Instruction Manual

Model: Original Hip Seat Baby Carrier (Grey)

Brand: TushBaby

## INTRODUCTION

Thank you for choosing the TushBaby Original Hip Seat Baby Carrier. This manual provides essential information for the safe and effective use of your carrier. Designed for babies and toddlers up to 45 lbs, this hip seat offers ergonomic support for caregivers and multiple comfortable carry positions for children. Please read all instructions carefully before use and retain this manual for future reference.

## SAFETY INFORMATION

### WARNING: FALL HAZARD

- To prevent fall injury, ensure the belt is securely fastened under the baby's bottom.
- Always keep one arm around your child while using the hip seat.
- Read and follow all instructions.

Use at birth for feeding assistance. Use from 4 months as a hip seat.

## PRODUCT FEATURES

- **Hip Seat Support:** Ergonomic seat carries babies and toddlers up to 45 lbs, shifting weight to hips and lower back instead of shoulders.
- **No Wrapping or Padding:** Structured hip seat with no foam padding offers firm support without bulky fabric, ties, or complicated setup.
- **Comfort for Caregivers:** Built-in lumbar support and wide waistband help reduce strain during frequent ups and downs.
- **Multiple Carry Positions:** Supports face-to-face, forward-facing, and side carry support for growing children.
- **Built-In Storage:** Five pockets and a tuck-away bottle holder keep essentials close without needing a diaper bag.

## SETUP AND WEARING INSTRUCTIONS

The TushBaby Hip Seat is designed for quick and easy application. Follow these steps to ensure a secure and comfortable fit:

1. **Positioning:** Wrap the hip seat around your waist, ensuring the seat platform is positioned at the front or side, depending on

your preferred carry position. The seat should rest comfortably above your hips.

2. **Secure Velcro:** Fasten the wide Velcro waistband snugly around your waist. Ensure it is tight enough to provide support but not uncomfortably restrictive.
3. **Buckle for Extra Security:** Connect the additional buckle at the back of the waistband. Adjust the strap to further tighten the carrier to your comfort level. This provides extra security and support.
4. **Placing Your Child:** Once the carrier is securely fastened, place your baby or toddler onto the hip seat. Always maintain one arm around your child for safety.

## OPERATING THE CARRIER (CARRY POSITIONS)

---

The TushBaby Hip Seat allows for various carry positions to suit your child's age and preference, while providing ergonomic support for you:

- **Face-to-Face Carry:** Position the seat at the front of your body. Place your child on the seat facing you, with their legs straddling your waist. Support their back and head.
- **Forward-Facing Carry:** Position the seat at the front of your body. Place your child on the seat facing outwards, with their legs straddling your waist. Ensure their back is supported.
- **Side Carry:** Position the seat on your hip. Place your child on the seat, either facing you or facing outwards, with their legs wrapped around your hip.

Always ensure your child is comfortable and secure in any position. Maintain a hand on your child at all times.

## STORAGE COMPARTMENTS

---

The TushBaby Hip Seat features multiple storage pockets to keep your essentials handy:

- **Large Main Pocket:** Located under the seat, ideal for diapers, wipes, and small toys.
- **Side Pockets:** Two zippered pockets on either side of the main compartment, suitable for phones, keys, or wallets.
- **Tuck-Away Bottle Holder:** A mesh pocket designed to hold a bottle or small water bottle, which can be tucked away when not in use.

## MAINTENANCE

---

To keep your TushBaby Hip Seat in optimal condition:

- **Cleaning:** The carrier is machine washable. Follow the care instructions on the product label for best results.
- **Inspection:** Regularly inspect all buckles, straps, and seams for any signs of wear or damage. Discontinue use if any damage is found.

## TROUBLESHOOTING

If you encounter any issues with your TushBaby Hip Seat, please refer to the following:

- **Discomfort for Child:** Ensure the child is positioned correctly on the seat and that their legs are in a natural, comfortable position. Adjust the seat's placement on your waist.
- **Discomfort for Caregiver:** Ensure the Velcro waistband is snug and the buckle is tightened to distribute weight effectively across your hips and lower back. Adjust the seat's position to find the most comfortable spot.
- **Loose Fit:** Re-fasten the Velcro waistband and tighten the buckle strap until the carrier feels secure and stable.

For further assistance, please contact TushBaby customer support.
