Tamagotchi On - Magic (Green) Instruction Manual

Your Guide to Caring for Your Virtual Pet

INTRODUCTION

Welcome to the world of Tamagotchi On! This virtual pet device allows you to raise and care for your very own digital companion. From hatching to adulthood, you'll guide your Tamagotchi through various stages of life, ensuring its happiness and well-being. This manual provides essential information to help you get started and make the most of your Tamagotchi On experience.

GETTING STARTED: SETUP

1. Battery Installation

Your Tamagotchi On requires 2 x AAA batteries (not included). To install them:

1. Locate the battery compartment cover on the back of the device.
2. Using a small Phillips head screwdriver, unscrew the cover.
3. Insert two AAA batteries, ensuring the correct polarity (+/-) as indicated inside the compartment.
4. Replace the cover and screw it securely.

2. Initial Setup

Upon first power-on or after a reset, you will need to set up your device:

- **Time and Date:** Use the buttons to set the current time and date. This is crucial for your Tamagotchi's daily schedule and growth.
- **Name:** Give your Tamagotchi a unique name.
- **Birth:** Your Tamagotchi will hatch from an egg shortly after setup is complete.

OPERATING YOUR TAMAGOTCHI ON

Your Tamagotchi On device features three primary buttons (A, B, C) located below the screen. These buttons are used to navigate menus, select actions, and interact with your pet.

Basic Care Functions

- **Feeding:** Provide meals and snacks to keep your Tamagotchi full and happy.
- **Playing:** Engage in various games to boost happiness and earn Gotchi points.
- **Cleaning:** Clean up after your Tamagotchi when it makes a mess to maintain hygiene.
- **Discipline:** Guide your Tamagotchi's behavior to ensure it grows into a well-behaved adult.
- **Medicine:** Administer medicine if your Tamagotchi falls ill.

Advanced Interactions

The Tamagotchi On offers expanded features for deeper engagement:

- **Travel:** Explore different locations and meet new characters.
- **Making Friends:** Connect with other Tamagotchi On devices to play together and exchange items.
- **Marriage and Generations:** Your Tamagotchi can marry another Tamagotchi and have offspring, carrying on unique genetic traits through generations.

MAINTENANCE

Cleaning Your Device

To keep your Tamagotchi On clean, gently wipe the screen and casing with a soft, dry cloth. Avoid using abrasive cleaners or excessive moisture, as this can damage the electronics.

Battery Replacement

When the screen dims or the device behaves erratically, it's time to replace the batteries. Follow the battery installation steps outlined in the 'Setup' section.

General Care Tips

- Avoid dropping the device or exposing it to extreme temperatures.
- Keep the device away from water and other liquids.
- Store in a cool, dry place when not in use.

TROUBLESHOOTING

Common Issues and Solutions

- **Device not turning on:** Check battery installation and ensure batteries are fresh.
- **Screen unresponsive:** Try removing and reinserting the batteries. If the issue persists, a full reset may be necessary.
- **Tamagotchi not growing:** Ensure you are consistently providing care (feeding, playing, cleaning) and checking

its status.

Resetting Your Device

If you encounter persistent issues, you may need to perform a full reset. Please note that a reset will erase all progress and data on your device. Consult the official Tamagotchi On website or product packaging for specific reset instructions for your model, as procedures can vary.
