Rapoo 1680

Rapoo 1680 Silent Wireless Mouse Instruction Manual

Model: 1680

INTRODUCTION

Thank you for choosing the Rapoo 1680 Silent Wireless Mouse. This manual provides detailed instructions for setting up, operating, and maintaining your new mouse. Please read this manual carefully before use to ensure optimal performance and longevity of your device.

WHAT'S IN THE Box

- 1 x Rapoo 1680 Wireless Mouse
- 1 x USB Receiver
- 1 x AA Battery
- 1 x Instruction Manual

SETUP

1. Battery Installation

Locate the battery compartment on the underside of the mouse. Slide open the cover and insert the provided AA battery, ensuring correct polarity. Close the battery compartment cover securely.

3. Power On/Off

Locate the ON/OFF switch on the underside of the mouse. Slide the switch to the 'ON' position to activate the mouse. To conserve battery life when not in use, slide the switch to the 'OFF' position.

OPERATING INSTRUCTIONS

Basic Functions

The Rapoo 1680 mouse features standard left and right click buttons and a scroll wheel. The 1000 DPI optical tracking engine provides responsive and smooth cursor control.

Quiet Click

Reduced click sound and same click feel

MAINTENANCE

Battery Life and Replacement

The Rapoo 1680 is designed for high energy efficiency, providing up to 12 months of battery life with a single AA battery. When the mouse stops responding or performance degrades, replace the AA battery. Remember to turn off the mouse when not in use to extend battery life.

Cleaning

To clean your mouse, use a soft, dry cloth. For stubborn dirt, a slightly damp cloth can be used. Avoid using harsh chemicals or abrasive cleaners, as these can damage the mouse's surface.

TROUBLESHOOTING

Mouse Not Responding

- Ensure the mouse is turned 'ON' using the switch on the underside.
- Check if the USB receiver is securely plugged into a working USB port on your computer.
- Replace the AA battery if the current one is depleted.
- Try plugging the USB receiver into a different USB port or a different computer to rule out port or computer issues.
- Ensure there are no strong wireless interference sources nearby.

Cursor Movement is Erratic

- Clean the optical sensor on the underside of the mouse with a soft, dry cloth.
- Ensure you are using the mouse on a suitable surface. Highly reflective or transparent surfaces may affect tracking.

SPECIFICATIONS

Product Dimensions	4.33 x 2.56 x 1.57 inches
Item Weight	2.05 ounces
Item Model Number	RAPOO 1680
Batteries	1 AA battery required (included)
Connectivity Technology	2.4GHz Wireless (USB Receiver)
