Dodge Charger

2019 Dodge Charger Owner's Manual

Your comprehensive guide to operating and maintaining your vehicle.

1. Introduction

This owner's manual provides detailed information regarding the operation, maintenance, and safety features of your 2019 Dodge Charger. To ensure safe and efficient use of your vehicle, please read this manual thoroughly and keep it in your vehicle for future reference. All information, illustrations, and specifications contained in this manual are based on the latest product information available at the time of publication.
For additional resources, please refer to the officialDodge website.

2. Initial Setup and Adjustments

Before driving your 2019 Dodge Charger, it is important to perform several initial adjustments to ensure comfort and safety.

2.1 Seat Adjustments

- **Manual Seats:** Locate the lever under the front of the seat cushion to slide the seat forward or backward. Use the recline lever on the side of the seat to adjust the seatback angle.
- **Power Seats:** Use the controls located on the side of the seat to adjust the seat position (forward/backward, up/down), lumbar support, and seatback recline.

2.2 Mirror Adjustments

- **Rearview Mirror:** Manually adjust the interior rearview mirror for a clear view of the rear window.
- **Side Mirrors:** Use the control knob on the driver's door panel to select the left or right mirror, then adjust its position.

2.3 Steering Wheel Adjustment

Pull the lever located on the left side of the steering column down to unlock. Adjust the steering wheel to your desired height and reach, then push the lever back up to lock it in place.

3. Operating Your Vehicle

This section covers the fundamental procedures for operating your 2019 Dodge Charger.

3.1 Starting the Engine

1. Ensure the vehicle is in Park (P) or Neutral (N).
2. Press the brake pedal firmly.
3. Press the ENGINE START/STOP button.

3.2 Transmission Operation

Your Charger is equipped with an automatic transmission. Use the gear selector to choose between Park (P), Reverse (R), Neutral (N), and Drive (D). For manual shifting, move the selector to the "Sport" or "Manual" gate and use the paddle shifters or the gear selector to shift up (+) or down (-).

3.3 Infotainment System (Uconnect)

The Uconnect system provides access to radio, media, navigation, climate control, and vehicle settings. Refer to the dedicated Uconnect manual for detailed instructions on pairing Bluetooth devices, using navigation, and customizing settings.

4. Maintenance and Care

Regular maintenance is crucial for the longevity and performance of your 2019 Dodge Charger. Adhere to the recommended service schedule.

4.1 Service Schedule

Consult the separate "Maintenance Schedule" booklet provided with your vehicle for specific service intervals based on mileage and time. Key items typically include:

- Oil and filter changes
- Tire rotation and inspection
- Brake system inspection
- Fluid level checks (coolant, brake fluid, power steering fluid, windshield washer fluid)
- Air filter replacement

4.2 Tire Care

Maintain correct tire pressure as specified on the tire placard located on the driver's side door jamb. Regularly inspect tires for wear and damage. Rotate tires every 6,000 to 8,000 miles (9,600 to 12,800 km) or as recommended by the service schedule.

4.3 Battery Maintenance

Ensure battery terminals are clean and free of corrosion. If the vehicle will be stored for an extended period, consider using a battery tender to maintain charge.

5. Troubleshooting Common Issues

This section addresses common issues you might encounter with your 2019 Dodge Charger and provides basic troubleshooting steps.

5.1 Warning Lights

If a warning light illuminates on your instrument cluster, consult the "Warning Lights" section of this manual for specific details. Some common lights include:

- **Check Engine Light:** Indicates an issue with the engine or emissions system. It may be a minor issue or require

immediate attention.

- **Oil Pressure Warning:** Stop the vehicle safely and turn off the engine immediately. Check oil level. Do not drive with low oil pressure.
- **Battery Charge Warning:** Indicates a problem with the charging system. Check battery terminals and alternator belt.

5.2 Engine Will Not Start

- Ensure the transmission is in Park (P) or Neutral (N).
- Check battery terminals for corrosion or looseness.
- Verify the fuel tank has sufficient fuel.
- If equipped with a key fob, ensure it is inside the vehicle and the battery is not depleted.

If troubleshooting steps do not resolve the issue, contact an authorized Dodge service center.

6. Specifications

This section provides general specifications for the 2019 Dodge Charger. Specific values may vary based on trim level and optional equipment.

Category	Specification
Engine Options	3.6L Pentastar V6, 5.7L HEMI V8, 6.4L HEMI V8, Supercharged 6.2L HEMI V8
Transmission	8-speed automatic
Fuel Tank Capacity	Approximately 18.5 gallons (70 liters)
Overall Length	Approximately 200.8 inches (5099 mm)
Wheelbase	Approximately 120.2 inches (3053 mm)

For a complete list of specifications for your specific trim level, please refer to the official Dodge specifications sheet or contact your dealership.

7. Warranty and Customer Support

Your 2019 Dodge Charger is covered by a comprehensive warranty. For detailed information regarding warranty coverage, terms, and conditions, please refer to the separate "Warranty Information" booklet provided with your vehicle.

7.1 Customer Assistance

If you require assistance, have questions about your vehicle, or need to locate an authorized service center, please contact Dodge Customer Care:

- **Website:** Visit the official Dodge Contact Us page.
- **Phone:** Refer to your warranty booklet or the Dodge website for the most current customer service phone numbers.

When contacting customer support, please have your Vehicle Identification Number (VIN) readily available.
