Video: A detailed assembly guide for the VIVO DESK-SF01W Wall Mounted Desk with Drawer, showing each step of construction.

### Step-by-Step Assembly Instructions

#### 1. Step 1: Attaching the Sliders

Attach the drawer sliders to the designated side panels of the desk using the provided screws. Ensure they are securely fastened and aligned correctly for smooth drawer operation.

#### 2. Step 2: Assembling the Desk Base

Connect the base panels of the desk using dowels and cam lock screws. Gently tap dowels into place and tighten cam locks to secure the connections.

#### 3. Step 3: Attaching the Side Panels

Attach the side panels to the assembled desk base. Use dowels and cam lock screws to create a sturdy frame for the desk structure.

#### 4. Step 4: Inserting Cam Locks for Desk Frame

Insert and tighten the cam locks into the pre-drilled holes on the desk frame to firmly secure all connected panels.

#### 5. Step 5: Installing the Corner Brackets

Install the metal corner brackets to reinforce the desk structure. Position them in the corners and secure with the appropriate screws.

#### 6. Step 6: Attaching the Desktop

Attach the desktop panel to the main desk frame. Align the pre-drilled holes and secure it using dowels and cam lock screws.

#### 7. Step 7: Inserting Cam Locks for Desktop

Insert and tighten the remaining cam locks to secure the desktop to the frame, ensuring a stable and flush surface.

#### 8. Step 8: Assembling the Drawer Base

Begin assembling the drawer by connecting the base panel with the side panels using dowels and cam lock screws.

#### 9. Step 9: Assembling the Drawer Panels

Attach the remaining drawer panels to form the complete drawer box. Ensure all connections are tight and square.

#### 10. Step 10: Attaching the Drawer Panels

Secure the final drawer panels together, ensuring the drawer is fully formed and ready for the cam locks.

#### 11. Step 11: Inserting Cam Locks for Drawer

Insert and tighten the cam locks into the drawer panels to complete the drawer assembly, making it rigid and functional.

## Drawer dimensions

24.8" x 15" x 3.8"

**Convenient** work surface  
and storage solution

Image: Close-up view of the drawer, showing its internal dimensions (24.8" x 15" x 3.8") and the smooth-gliding mechanism.

### 12. Step 12: Installing the Desk to the Wall

Carefully mark the desired height and position on your wall. Use a level to ensure accuracy. Drill pilot holes into a wood stud, concrete, or brick wall. Secure the desk to the wall using the appropriate mounting hardware. **Do not install into drywall alone.**

### 13. Step 13: Installing Corner Brace Covers

Once the desk is securely mounted, install the decorative corner brace covers to conceal the mounting hardware and provide a clean finish.

### 14. Step 14: Attaching the Drawer

Slide the assembled drawer into the desk's frame, aligning it with the installed sliders. Secure the drawer to the sliders using the provided screws.

## OPERATING INSTRUCTIONS

The VIVO DESK-SF01W is designed for straightforward operation.

- **Using the Drawer:** The desk features a smooth-gliding pull-out drawer. To open, gently pull the front panel. To close, push the drawer back until it is flush with the desk front.
- **Cable Management:** Utilize the integrated cable holes on the desktop surface to route and organize your electronic device cords. This helps maintain a clean and clutter-free workspace.

---

## MAINTENANCE

To ensure the longevity and appearance of your VIVO DESK-SF01W, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the desk surface and panels with a dry, soft cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the painted finish.

- **Weight Capacity:** Do not exceed the maximum weight capacity of 22 lbs to prevent structural damage.
  - **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.
- 

## TROUBLESHOOTING

If you encounter any issues with your VIVO DESK-SF01W, please refer to the following common troubleshooting tips:

- **Desk feels unstable:** Ensure all cam locks and screws are fully tightened. Verify that the desk is securely mounted to a wall stud, concrete, or brick, and not just drywall.
  - **Drawer not sliding smoothly:** Check that the drawer sliders are correctly installed and free from obstructions. Ensure the drawer panels are assembled squarely.
  - **Missing parts:** If any parts are missing or damaged upon arrival, please contact VIVO customer support immediately.
- 

## WARRANTY AND SUPPORT

The VIVO DESK-SF01W comes with a **3-year manufacturer's warranty**. This warranty covers defects in materials and workmanship under normal use.

For technical assistance, warranty claims, or any product-related inquiries, please visit the official VIVO store or contact their customer support directly.

You can find more information and support at the [VIVO Store on Amazon](#).
