havit i37

Havit i37 Wireless Bluetooth Neckband Headphone User Manual

Model: i37

1. Introduction

Thank you for choosing the Havit i37 Wireless Bluetooth Neckband Headphone. This manual provides detailed instructions for setting up, operating, and maintaining your new headphones. Please read this manual carefully before use to ensure optimal performance and longevity of your device.
The Havit i37 is designed for wireless music enjoyment, offering high-fidelity sound, a comfortable fit, and robust features like IPX5 waterproofing, making it ideal for sports and daily use.

2. What's in the Box

Carefully unpack your Havit i37 headphones and ensure all items are present:

- 1 x Havit i37 Wireless Bluetooth Neckband Headphone
- 3 x Pairs of Ear Tips (various sizes)
- 1 x USB Charging Cable
- 1 x User Manual (this document)

3. Product Overview

Familiarize yourself with the components of your Havit i37 headphones:

Image: Front view of the Havit i37 neckband headphones, showing the earbuds, neckband, and inline control module.

- **Earbuds:** Designed for comfortable and secure in-ear fit.
- **Neckband:** Lightweight and flexible, resting around your neck.
- **Inline Control Module:** Contains power button, volume controls, and microphone.
- **USB Charging Port:** Located on the inline control module.

4. Setup

4.1 Charging the Headphones

Before first use, fully charge your Havit i37 headphones.

1. Connect the small end of the USB charging cable to the charging port on the inline control module of your headphones.
2. Connect the larger end of the USB cable to a USB power adapter (not included) or a computer's USB port.
3. The LED indicator on the control module will illuminate to show charging status. It typically turns off or changes color when fully charged.
4. A full charge takes approximately 1.5 hours and provides up to 10 hours of music playback or 12 hours of talk time.

4.2 Pairing with a Bluetooth Device

To connect your headphones to your smartphone, tablet, or other Bluetooth-enabled device:

1. Ensure the headphones are fully charged and turned off.
2. Press and hold the Multi-function button (usually the power button) on the inline control module for approximately 5-7 seconds until the LED indicator flashes red and blue alternately. This indicates pairing mode.
3. On your device, enable Bluetooth and search for new devices.
4. Select "Havit i37" from the list of available devices.
5. Once successfully paired, the LED indicator on the headphones will flash blue slowly or turn off, and you will hear a confirmation tone.
6. If prompted for a password, enter "0000".

Note: The headphones will automatically attempt to reconnect to the last paired device when powered on, if the device's Bluetooth is active and within range.

5. Operating Instructions

5.1 Power On/Off

- **Power On:** Press and hold the Multi-function button for 3 seconds until the blue LED flashes and you hear a power-on tone.
- **Power Off:** Press and hold the Multi-function button for 3 seconds until the red LED flashes and you hear a power-off tone.

5.2 Music Playback

- **Play/Pause:** Press the Multi-function button once.
- **Next Track:** Press and hold the Volume Up (+) button.
- **Previous Track:** Press and hold the Volume Down (-) button.
- **Volume Up:** Short press the Volume Up (+) button.
- **Volume Down:** Short press the Volume Down (-) button.

5.3 Phone Calls

- **Answer Call:** Press the Multi-function button once.
- **End Call:** Press the Multi-function button once during a call.
- **Reject Call:** Press and hold the Multi-function button for 2 seconds.
- **Redial Last Number:** Double-press the Multi-function button.

6. Maintenance and Care

To ensure the longevity and optimal performance of your Havit i37 headphones, follow these care guidelines:

- **Cleaning:** Wipe the headphones with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- **Water Resistance:** The headphones are IPX5 waterproof, meaning they are resistant to sweat and light splashes. Do not submerge them in water or expose them to heavy rain.
- **Storage:** Store the headphones in a cool, dry place away from direct sunlight and extreme temperatures.
- **Charging:** Use only the provided USB cable or a certified charging cable. Avoid overcharging.
- **Avoid Damage:** Do not drop, disassemble, or attempt to repair the headphones yourself. This may void the warranty.

7. Troubleshooting

If you encounter any issues with your Havit i37 headphones, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Headphones do not power on.	Low battery.	Charge the headphones fully.
Cannot pair with device.	Headphones not in pairing mode; Bluetooth off on device; device too far.	Ensure headphones are in pairing mode (flashing red/blue). Turn on Bluetooth on your device. Move device closer to headphones (within 10m).

Problem	Possible Cause	Solution
No sound or low volume.	Volume too low; headphones not connected; incorrect audio output.	Increase volume on both headphones and connected device. Re-pair headphones. Check audio output settings on your device.
Sound distortion.	Interference; device too far; low battery.	Move away from sources of interference. Move device closer. Charge headphones.
Microphone not working.	Incorrect audio input settings on device.	Check your device's audio input settings and ensure "Havit i37" is selected for microphone.

If the problem persists, please contact customer support.
