

Feit Electric Feit - CEOM60/27/6

Feit Electric LED 60W Daylight Light Bulbs User Manual

Model: Feit - CEOM60/27/6 | Brand: Feit Electric

1. INTRODUCTION

Thank you for choosing Feit Electric LED 60W Daylight Light Bulbs. These advanced LED bulbs are designed to provide bright, energy-efficient illumination, offering a long lifespan and consistent performance. This manual provides essential information for the safe and effective use of your new light bulbs.

Image: Packaging for Feit Electric LED 60W Daylight 6-Pack Light Bulbs, highlighting features like 5000K Daylight, 800 lumens brightness, and 15,000 life hours.

2. KEY FEATURES

- **Daylight Illumination:** Provides a bright, crisp 5000K daylight color temperature, ideal for task lighting and spaces requiring clear visibility.
- **Energy Efficient LED:** Utilizes LED technology to deliver 60-watt equivalent brightness while consuming significantly less energy.

- **Dimmable:** Fully dimmable to adjust the light output to your desired ambiance. Ensure your dimmer switch is compatible with LED bulbs.
- **Long Lifespan:** Engineered for extended durability with an estimated lifespan of up to 15,000 hours, reducing the need for frequent replacements.
- **Standard A19 Shape:** Designed in the common A19 bulb shape with an E26 standard screw base for broad compatibility with most fixtures.
- **High Brightness:** Delivers 800 lumens of light output, providing ample illumination for various indoor settings.

3. INSTALLATION

Follow these steps to safely install your Feit Electric LED light bulb:

1. **Turn Off Power:** Before installation, ensure the power to the fixture is turned off at the circuit breaker or wall switch.
2. **Remove Old Bulb:** Carefully unscrew the old light bulb from the fixture. Allow it to cool if it has been recently in use.
3. **Insert New Bulb:** Gently screw the Feit Electric LED bulb into the fixture's socket until it is snug. Do not overtighten.
4. **Restore Power:** Turn the power back on at the circuit breaker or wall switch.
5. **Test:** Turn on the light switch to ensure the bulb is functioning correctly.

Note: These bulbs are suitable for use in ceiling fans, ceiling fixtures, lanterns, and table lamps. They are designed for all-around light distribution (omni-directional).

4. OPERATION

Operating your Feit Electric LED light bulb is straightforward:

- **Turning On/Off:** Use your standard wall switch to turn the light bulb on or off.
- **Dimming:** If connected to a compatible dimmer switch, adjust the dimmer control to achieve your desired brightness level. These bulbs are dimmable.

5. CARE AND MAINTENANCE

To ensure the longevity and optimal performance of your LED light bulbs, follow these maintenance guidelines:

- **Cleaning:** Always turn off the power and allow the bulb to cool before cleaning. Wipe the bulb with a soft, dry cloth. Do not use liquid cleaners or abrasive materials.

- **Handling:** Handle bulbs by the base, not the glass, to avoid damage or transfer of oils.
- **Storage:** Store unused bulbs in their original packaging in a cool, dry place.
- **Disposal:** Dispose of old or broken bulbs according to local regulations for electronic waste.

6. TROUBLESHOOTING

If you encounter issues with your light bulb, try the following solutions:

Problem	Possible Cause	Solution
Bulb does not light up.	No power to the fixture, loose connection, or faulty bulb.	Check the circuit breaker. Ensure the bulb is screwed in tightly. Test the bulb in another working fixture.
Bulb flickers.	Incompatible dimmer switch, loose connection, or circuit issue.	Ensure your dimmer is LED-compatible. Tighten the bulb. Consult an electrician if the issue persists.
Light output is too low/high.	Dimmer setting or incorrect bulb for the space.	Adjust the dimmer. Ensure the bulb's brightness (lumens) is appropriate for the room size and purpose.

If these solutions do not resolve the issue, please refer to the customer support section.

7. TECHNICAL SPECIFICATIONS

- **Product Dimensions:** 10 x 13 x 10 inches; 10.55 ounces
- **Item Model Number:** Feit - CEOM60/27/6
- **UPC:** 017801157253
- **Manufacturer:** Feit
- **Units:** 6 Count (Pack of 1)
- **Light Type:** LED
- **Special Feature:** Dimmable
- **Wattage:** 8.8 watts (60-watt equivalent)
- **Bulb Shape Size:** A19
- **Brightness:** 800 Lumens
- **Light Appearance:** 5000K Daylight
- **Estimated Lifespan:** 15,000 hours
- **Estimated Yearly Energy Cost:** \$1.06 (based on 3 hrs/day, 11¢/kWh)

8. WARRANTY INFORMATION
