# Lorelli MiniMax 3-in-1 Convertible Baby Bed Instruction Manual

Model: 10150500035A

## 1. INTRODUCTION

---

The Lorelli MiniMax 3-in-1 Convertible Baby Bed is a versatile furniture solution designed to grow with your child. This innovative product seamlessly transforms from a baby crib into a toddler bed, a functional desk, and a multi-functional wardrobe, offering long-term utility and adaptability for your child's room.

This manual provides essential information for the safe assembly, operation, and maintenance of your Lorelli MiniMax convertible bed. Please read all instructions carefully before assembly and use, and retain this manual for future reference.

## 2. SAFETY INFORMATION

---

Your child's safety is paramount. Adhere to the following safety guidelines:

- Always follow the assembly instructions precisely. Incorrect assembly can lead to hazards.
- Ensure all screws, bolts, and fasteners are securely tightened before each use and regularly check for any loosening. Do not overtighten.
- Do not use the product if any part is broken, torn, or missing. Contact customer service for replacement parts.
- Keep small parts and assembly hardware out of reach of children during assembly.
- Use only the mattress size specified for the baby bed: 120 x 60 x 10 cm. Using an incorrect mattress size can create a gap where a child's head could become entrapped.
- Do not place the bed near windows where cords from blinds or drapes could strangle a child.
- Do not place the bed near heat sources, such as radiators, fireplaces, or heaters.
- Regularly inspect the bed for any signs of wear, damage, or loose components.
- The product is manufactured in the EU and complies with relevant safety standards.

## 3. PRODUCT FEATURES

## 4. SETUP AND ASSEMBLY

The Lorelli MiniMax bed is delivered ready for self-assembly. A detailed instruction manual with diagrams is included in the packaging. Please follow these general steps:

1. **Unpack Components:** Carefully unpack all parts and hardware. Verify that all components listed in the included parts list are present and undamaged.
2. **Prepare Workspace:** Choose a clean, flat, and spacious area for assembly. Lay down a blanket or cardboard to protect the floor and furniture parts.

3. **Follow Instructions:** Refer to the step-by-step assembly guide provided in the box. Pay close attention to the diagrams and text instructions for each stage.
4. **Secure Fasteners:** Ensure all screws, bolts, and connectors are tightened securely. Do not overtighten, as this can damage the wood.
5. **Install Mattress Base:** Install the mattress base at the appropriate height for your child's age and development. The higher position is for infants who cannot sit up unaided, and the lower position is for older infants and toddlers.
6. **Final Check:** Once assembled, perform a thorough check to ensure all parts are correctly installed and secure.

## 5. OPERATING AND TRANSFORMATIONS

---

The Lorelli MiniMax bed offers multiple configurations to adapt to your child's needs as they grow.

### 5.1. Baby Bed Mode

In its initial configuration, the unit functions as a baby crib with an integrated multi-functional wardrobe and drawers. The baby bed includes a rocking mechanism and an adjustable mattress base.

### 5.2. Transformation to Variation 1: Toddler Bed, Desk, and Wardrobe

This variation allows you to convert the baby bed into three separate furniture pieces:

- **Toddler Bed:** Dimensions 197 x 83 x 63 cm (mattress not included for this configuration).
- **Desk:** Dimensions 123 x 70 x 81 cm.
- **Multi-function Wardrobe:** Dimensions 63 x 83 x 70 cm.

To achieve this configuration, carefully disassemble the baby crib section and reassemble the components according to the specific instructions for Variation 1 provided in your manual. The side rails of the crib are removed, and the base is extended to form the toddler bed. The wardrobe unit detaches to become a standalone piece, and the remaining crib components form the desk.

### 5.3. Transformation to Variation 2: Toddler Bed and Baby Bed with Wardrobe

This variation allows for a different combination of furniture:

- **Toddler Bed:** Dimensions 197 x 83 x 63 cm (mattress not included for this configuration).
- **Baby Bed with Multi-function Wardrobe:** Dimensions 190 x 83 x 93 cm.

This configuration involves separating the baby bed from the main unit and reconfiguring it with the wardrobe, while the remaining parts form a toddler bed. Consult your manual for detailed steps on how to achieve this specific arrangement.

### 5.4. Daybed Configuration

The baby bed can also be configured as a daybed by removing one of the side rails, allowing easier access for an older child while maintaining a contained sleeping space.

## 6. MAINTENANCE

---

Proper maintenance ensures the longevity and safety of your Lorelli MiniMax bed.

- **Cleaning:** Wipe surfaces with a soft, damp cloth and a mild, non-abrasive detergent. Avoid harsh chemicals or abrasive cleaners that could damage the finish. Dry thoroughly after cleaning.
- **Regular Inspection:** Periodically check all screws, bolts, and connections to ensure they are tight. Re-tighten if necessary, but do not overtighten.
- **Damage Check:** Inspect the bed regularly for any signs of wear, cracks, splinters, or other damage. Discontinue use immediately if any damage is found and contact customer service for advice or replacement parts.
- **Mattress Care:** Follow the care instructions for the mattress. Ensure it remains clean and dry to prevent mold or mildew.

## 7. TROUBLESHOOTING

---

If you encounter any issues with your Lorelli MiniMax bed, consider the following:

- **Difficulty during Assembly/Transformation:** Double-check the instruction manual. Ensure all parts are oriented correctly and that you are using the right hardware for each step. Sometimes, a part may appear similar but is intended for a different section.
- **Loose Parts/Wobbling:** This is typically due to loose fasteners. Carefully re-tighten all screws and bolts. If the issue persists, disassemble and reassemble the affected section, ensuring all connections are firm.
- **Drawers Not Sliding Smoothly:** Check for any obstructions in the drawer glides. Ensure the glides are properly aligned and securely attached.
- **Rocking Mechanism Issues:** Ensure the rocking mechanism is clear of debris and properly engaged. If it becomes stiff, check for any misaligned parts.

If you cannot resolve an issue, do not attempt unauthorized repairs. Contact Lorelli customer support for

assistance.
