Celly MOUNTDASH

Celly Pro Mount Screen/Dashboard Holder Instruction Manual

Model: MOUNTDASH

1. INTRODUCTION

The Celly Pro Mount Screen/Dashboard Holder is a universal car mount designed to securely hold smartphones up to 6.5 inches. It features a strong suction cup for attachment to either the windshield or dashboard, an automatic locking function for optimal stability, and 360-degree rotation for flexible viewing angles. This manual provides instructions for proper installation, operation, and maintenance of your device.

2. SAFETY INFORMATION

- Do not install the holder in a location that obstructs your view of the road, mirrors, or vehicle controls.
- Ensure the holder is securely attached before placing a device in it. A loose holder can become a projectile in an accident.
- Do not adjust the holder or your device while driving. Always pull over to a safe location to make adjustments.
- Avoid exposing the holder to extreme temperatures for prolonged periods, as this may affect the suction cup's performance.
- Keep out of reach of children.

3. PACKAGE CONTENTS

Please verify that all components are present:

- Celly Pro Mount Holder Unit
- Suction Cup Base

4. SETUP AND INSTALLATION

Follow these steps to install your Celly Pro Mount:

1. **Choose a Location:** Select a flat, clean, and smooth surface on your windshield or dashboard that does not obstruct your view or interfere with airbags.
2. **Clean the Surface:** Wipe the chosen surface with a clean cloth to remove any dust or grease. Allow it to dry completely.
3. **Attach the Suction Cup:** Press the suction cup firmly against the cleaned surface.
4. **Secure the Lever:** Push the locking lever down to create a strong vacuum seal. Ensure the holder is firmly attached and does not wobble.
5. **Adjust Angle:** Loosen the adjustment knob on the arm to set the desired viewing angle, then tighten it to secure the position.

5. OPERATING INSTRUCTIONS

Using your Celly Pro Mount is straightforward:

1. **Insert Smartphone:** Gently pull apart the adjustable grips of the holder. Place your smartphone into the holder and release the grips. The automatic locking function will secure your device.
2. **Remove Smartphone:** To remove your smartphone, gently pull apart the adjustable grips again and lift your device out.
3. **Rotate Device:** The holder allows for 360-degree rotation. Simply rotate your smartphone to switch between portrait and landscape viewing modes as desired.

6. MAINTENANCE

To ensure the longevity and optimal performance of your Celly Pro Mount:

- **Cleaning:** Wipe the holder and suction cup with a soft, damp cloth. Do not use harsh chemicals or abrasive cleaners.
- **Suction Cup Care:** If the suction cup loses its grip, rinse it with warm water and let it air dry. This can help restore its adhesive properties.
- **Storage:** When not in use for extended periods, detach the holder and store it in a cool, dry place away from direct sunlight.

7. TROUBLESHOOTING

- **Holder not sticking to surface:**
 - Ensure the surface is clean, dry, and smooth.
 - Press the suction cup firmly before engaging the locking lever.
 - Rinse the suction cup with water and let it air dry to restore stickiness.
- **Smartphone not held securely:**
 - Ensure your smartphone is within the compatible size range (up to 6.5 inches).
 - Make sure the grips fully close around your device.
- **Holder wobbles after installation:**
 - Tighten all adjustment knobs securely.
 - Re-attach the suction cup, ensuring a strong vacuum seal.
