Delta Children 25601-2012

Simmons Kids City Sleeper Bedside Bassinet Instruction Manual

Model: 25601-2012

1. INTRODUCTION

Thank you for choosing the Simmons Kids City Sleeper Bedside Bassinet. This portable crib is designed to provide a safe and soothing sleep environment for your infant. Featuring a modern grey tweed design, an electronic mobile with various functions, and convenient storage, this bassinet is built for both comfort and practicality. Please read this manual thoroughly before assembly and use to ensure proper operation and safety.

This bassinet is recommended for babies from 0 to 5 months of age. Discontinue use once your infant begins to push up on their hands and knees, or reaches 15 pounds, whichever comes first.

2. SAFETY INFORMATION

Your child's safety is our top priority. This product is JPMA certified and meets or exceeds all safety standards set by ASTM. Always follow these safety guidelines:

- Never leave your child unattended in the bassinet.
- Discontinue use when the infant is 5 months old or begins to push up on hands and knees, or reaches 15 pounds, whichever comes first.
- Ensure all parts are correctly assembled and securely fastened before each use.
- Do not use the bassinet if any parts are missing, damaged, or broken. Contact customer service for replacement parts.
- Keep small parts and plastic bags away from children to prevent choking or suffocation hazards.
- Do not place the bassinet near windows where cords from blinds or drapes could pose a strangulation hazard.
- Only use the mattress pad provided by the manufacturer. Do not add additional padding or mattresses.

3. PACKAGE CONTENTS

Please check that all components are present before beginning assembly:

- Bassinet Frame
- Bassinet Fabric/Bedding
- Mattress Pad
- Canopy (removable and adjustable)
- Electronic Mobile Arm with attached plush stars
- Storage Basket
- Assembly Hardware (screws, bolts, etc.)
- Instruction Manual

4. SETUP AND ASSEMBLY

Follow these steps to assemble your Simmons Kids City Sleeper Bedside Bassinet. A Phillips head screwdriver (not included) may be required.

1. **Assemble the Frame:** Carefully unfold the lightweight bassinet frame. Ensure all locking mechanisms click into place.
2. **Attach the Bassinet Fabric:** Slide the bassinet fabric over the frame, ensuring the mesh sides are properly aligned and secured to the frame's attachment points.
3. **Install the Storage Basket:** Attach the generously sized storage basket to the designated hooks or slots underneath the bassinet frame. This basket is ideal for storing diapers, wipes, and other baby essentials.
4. **Insert the Mattress Pad:** Place the mattress pad firmly into the bassinet. Ensure it lies flat and there are no gaps between the mattress and the bassinet sides.
5. **Attach the Canopy:** Secure the adjustable and removable canopy to the top of the bassinet frame. The breathable mesh on the canopy promotes healthy airflow.
6. **Install the Electronic Mobile Arm:** Attach the electronic mobile arm to the side of the bassinet. Ensure it is securely fastened.
7. **Insert Batteries:** The electronic mobile arm requires 4 AA batteries (sold separately). Open the battery compartment, insert the batteries with correct polarity, and close the compartment securely.

5. OPERATING INSTRUCTIONS

The electronic mobile arm offers several features to soothe your baby:

- **Nightlight:** Press the nightlight button to activate a soft glow, providing gentle illumination without disturbing sleep.
- **Vibrations:** Activate the vibration function to provide a gentle, calming motion for your baby.
- **Twinkle Lights:** Engage the twinkle lights for a subtle, starry effect.
- **Rotating Stars:** The plush stars attached to the mobile arm will gently rotate, offering visual stimulation.
- **Music/Sounds:** Select from various melodies or soothing sounds to help lull your little one to sleep.
- **Mobile Arm Adjustment:** The mobile arm can be rotated outwards for easy access to your baby.
- **Canopy Adjustment:** The canopy can be adjusted to provide shade or retracted when not needed. It is also fully removable.

6. MAINTENANCE AND CARE

Proper care will extend the life of your bassinet:

- **Fabric Care:** The fabric components of the bassinet are designed for hand washing only. Use mild soap and cold water. Do not bleach. Air dry thoroughly.
- **Frame Care:** Wipe the frame with a soft, damp cloth and mild soap. Dry thoroughly.
- **Mattress Pad:** The mattress pad can be wiped clean with a damp cloth. Ensure it is completely dry before placing it back in the bassinet.
- **Mobile Arm:** Wipe the electronic mobile arm with a dry cloth. Do not immerse in water. Remove batteries if the mobile will not be used for an extended period.
- **Regular Inspection:** Periodically check all screws, bolts, and fasteners to ensure they are tight and secure. Inspect for any signs of wear or damage.

7. TROUBLESHOOTING

If you encounter any issues with your bassinet, refer to the following common solutions:

Problem	Possible Cause	Solution
Mobile arm not functioning (no lights, sound, or rotation)	Dead or incorrectly installed batteries.	Check battery polarity. Replace with fresh 4 AA batteries.
Bassinet feels unstable	Frame not fully locked or assembly hardware loose.	Ensure all frame locking mechanisms are engaged. Tighten all screws and bolts.
Canopy does not stay in position	Canopy not securely attached or adjustment mechanism is loose.	Re-attach the canopy, ensuring it clicks into place. Check adjustment points for proper tension.
Mattress pad does not lie flat	Incorrect placement or foreign object underneath.	Remove the mattress pad, check for any obstructions, and re-insert it correctly.

8. SPECIFICATIONS

- **Brand:** Delta Children
