Winco MSBW-08

Winco MSBW-08 8-Inch Breeding Basket User Manual

INTRODUCTION

Thank you for choosing the Winco MSBW-08 8-inch Breeding Basket. This manual provides essential information for the safe and effective use, maintenance, and care of your new breeding basket. Please read these instructions thoroughly before first use and retain them for future reference.

SAFETY INFORMATION

Please observe the following safety precautions to ensure safe operation and prolong the life of your product:

- Always handle with care to avoid accidental drops or impacts.
- Do not expose the basket to direct flame or extreme heat sources, as this may damage the plastic coating.
- Keep out of reach of children when not in use.
- Inspect the basket for any damage before each use. Discontinue use if the coating is chipped or the wire is bent.
- Use for intended purpose only (breeding, straining, etc.).

PRODUCT OVERVIEW

The Winco MSBW-08 Breeding Basket is designed for efficient breeding tasks in both commercial and home kitchens. It features a durable steel wire construction with a non-stick white plastic coating and a coarse mesh design.

Key Features:

- **Durable steel wire:** Provides long-lasting strength for frequent use.
- **Non-stick coating:** Prevents food from sticking for easy cleaning.
- **Coarse mesh:** Ensures efficient breeding and food handling.
- **Versatile:** Suitable for commercial and home kitchen tasks.
- **Contemporary finish:** Offers protection and a sleek appearance.

SETUP

Before using your Winco Breading Basket for the first time, follow these steps:

1. **Unpack:** Carefully remove the breading basket from its packaging.
2. **Inspect:** Check the basket for any signs of damage during transit.
3. **Wash:** Wash the basket thoroughly with warm, soapy water. Rinse completely and dry with a soft cloth or air dry before first use.

OPERATING INSTRUCTIONS

The Winco Breading Basket is designed for ease of use in various kitchen applications.

1. For Breading:

- Place your desired breading mixture (flour, egg wash, breadcrumbs) into separate shallow containers.
- Dip the food item into the first coating, then the second, and finally into the breading basket containing the final coating (e.g., breadcrumbs).
- Gently shake the basket to evenly coat the food item and remove excess breading.

2. For Straining/Draining:

- The coarse mesh allows for efficient draining of liquids from fried foods, blanched vegetables, or other items.
- Place the basket over a bowl or sink and transfer the food item into it.

MAINTENANCE AND CLEANING

Proper care will ensure the longevity and performance of your breading basket.

- **After Each Use:** Wash the basket promptly with warm, soapy water to prevent food residue from drying and sticking.
- **Dishwasher Safe:** The Winco MSBW-08 is dishwasher safe for convenient cleaning. Place it on the top rack if possible to avoid potential damage from heating elements.
- **Drying:** Ensure the basket is completely dry before storing to prevent rust or mildew.
- **Storage:** Store in a dry place, away from direct sunlight or extreme temperatures.

TROUBLESHOOTING

If you encounter any issues with your breading basket, consider the following:

- **Food sticking to mesh:**
 - Ensure the basket is clean before use.
 - For breading, ensure food items are properly coated before placing in the basket.
 - Clean immediately after use to prevent residue buildup.
- **Coating appears damaged:**
 - Avoid using abrasive scrubbers or harsh chemicals.
 - Do not expose to high heat sources like open flames.
 - If the coating is significantly damaged, consider replacing the basket to maintain hygiene and non-stick properties.

SPECIFICATIONS
