mDesign Plastic Deep Storage Bins User Manual

Model: 10146MDKEU

1. PRODUCT OVERVIEW

The mDesign Plastic Deep Storage Bins with Lids and Built-In Handles are designed to provide versatile and efficient organization solutions for various spaces in your home. These clear, durable plastic containers are ideal for storing a wide range of items, from food packets and snacks in the kitchen pantry to household essentials in craft rooms, bathrooms, or garages. Their stackable design and integrated handles enhance portability and maximize storage space.

2. SETUP AND ASSEMBLY

These storage bins require minimal setup. Upon receiving your 6-pack of mDesign storage bins, simply unpack them from their packaging. No assembly is required. It is recommended to clean the bins before first use.

- **Unpacking:** Carefully remove each bin and lid from the packaging materials.
- **Initial Cleaning:** Before storing any items, especially food, wash the bins with mild soap and water. Rinse thoroughly and allow them to air dry completely.
- **Stacking:** The lids are designed to allow secure stacking of multiple bins, optimizing vertical storage space. Ensure lids are properly seated before stacking.

3. OPERATING INSTRUCTIONS

These storage bins are highly versatile and can be used in various settings to organize a multitude of items. The built-in handles facilitate easy transport, and the clear design allows for quick identification of contents.

- **Food Storage:** Ideal for organizing food packets, drink boxes, baby food, juices, boxed foods, pastas, potatoes, onions, and apples in kitchen pantries, cabinets, or refrigerators.
- **Household Organization:** Use in craft rooms for supplies, laundry/utility rooms for detergents, bedrooms for accessories, bathrooms for toiletries, offices for stationery, closets for clothing items, garages for tools, or toy rooms for small toys.
- **Portability:** The integrated, easy-grip side handles allow for convenient transport of the bins from shelves to tables or other locations.
- **Maximizing Space:** Utilize the stackable feature to create vertical storage solutions, especially in areas with limited horizontal space.

4. MAINTENANCE

To ensure the longevity and cleanliness of your mDesign Plastic Deep Storage Bins, follow these simple maintenance guidelines:

- **Cleaning:** Clean the bins with mild soap and water. Use a soft cloth or sponge to wipe down surfaces.
- **Drying:** After washing, thoroughly dry the bins to prevent water spots and ensure hygiene.
- **Avoid Dishwasher:** Do not place the bins in a dishwasher, as high temperatures can cause warping or damage to the plastic.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, scouring pads, or harsh chemical detergents, as these can scratch or damage the clear plastic surface.

5. TROUBLESHOOTING

These storage bins are designed for durability and ease of use. Should you encounter any issues, consider the following:

- **Lid Not Seating Properly:** Ensure the lid is aligned correctly with the bin's edges. Check for any debris or items obstructing the lid's fit.
- **Bins Not Stacking Securely:** Verify that the lids are properly in place on the lower bins before stacking. Overfilling a bin can also prevent stable stacking.
- **Scratches or Damage:** While made of durable plastic, avoid dropping the bins or exposing them to sharp objects to prevent scratches or cracks.
- **Cloudiness After Cleaning:** Ensure you are using mild soap and water and avoiding harsh chemicals or abrasive materials, which can cause cloudiness. Rinse thoroughly.

6. SPECIFICATIONS

| Feature | Detail |
|---------------------------|---|
| Brand | mDesign |
| Model Number | 10146MDKEU |
| Color | Clear/Smoke Gray |
| Material | Plastic (food_grade) |
| Special Feature | Shatterproof |
| Product Dimensions (Each) | 10.67"L x 6.16"W x 5.2"H (27.1cm L x 15.6cm W x 13.2cm H) |
