

Mercana 68244

Mercana Ledger III Solid Wood Live-Edge Dining Table User Manual

MODEL: 68244

1. PRODUCT OVERVIEW

Product Description

The Ledger III dining table, part of the Ledger series, features a rectangular, live-edge top crafted from premium Indian mango wood. This table is designed to comfortably accommodate six individuals. The live-edge top is supported by two metal-cladded, solid wood plank-like legs, ensuring stability. Finished in a medium brown tone complemented by matte-black metal cladding on the base, the Ledger III is suitable for Farmhouse and Woodlands design styles.

Key Features

- **Solid Wood Construction with Premium Finish:** Expertly crafted from premium Indian mango wood, the Ledger III is sturdy, stable, and built for durability. The robust construction is complemented by a natural brown polish that highlights the wood's grain, knots, and character.
- **Metal Cladded Frame:** The dining table is supported by a metal-cladded solid wood trestle base, finished in a matte-black polish, which enhances the table's stability.
- **Live-Edge Top:** The rectangular table top features a live cut edge, providing a natural and unique aesthetic.
- **No Assembly Required:** The Ledger III Dining Table is delivered pre-assembled.

2. SETUP AND PLACEMENT

The Mercana Ledger III Dining Table is delivered pre-assembled, requiring no additional setup. Simply unpackage the table and place it in your desired location.

Ensure the table is placed on a level surface to prevent wobbling. Avoid direct sunlight or proximity to heat sources such as radiators or fireplaces, as extreme temperature and humidity changes can affect solid wood furniture.

3. USAGE GUIDELINES

To ensure the longevity and beauty of your Mercana Ledger III dining table, follow these general usage guidelines:

- Use coasters or placemats to protect the surface from spills, heat, and scratches.
- Avoid placing extremely hot or cold items directly on the table surface.
- Do not drag heavy objects across the table top to prevent scratching.
- Distribute weight evenly across the table surface to maintain structural integrity.

4. MAINTENANCE AND CARE

Proper care will help maintain the natural beauty and integrity of your solid wood dining table.

- **Cleaning:** Wipe the table surface with a dry, soft cloth regularly to remove dust and debris. For spills, blot immediately with a clean, dry cloth. Avoid abrasive cleaners or harsh chemicals, as these can damage the wood finish.
- **Wood Protection:** Periodically inspect the wood for dryness. If desired, a wood conditioner or polish suitable for mango wood can be applied according to the product instructions to nourish the wood and maintain its luster.
- **Metal Frame Care:** The matte-black metal cladding can be wiped clean with a damp cloth. Dry immediately to prevent water spots.

- **Environmental Factors:** Solid wood can react to changes in humidity and temperature. Maintain a stable environment to minimize expansion or contraction, which can lead to cracks or warping.

Figure 5: A close-up view of the live-edge detail on the Mercana Ledger III dining table, showcasing the natural, unrefined edge of the wood.

5. TROUBLESHOOTING

This section addresses common concerns you might encounter with your dining table.

- **Wobbling:** If the table wobbles, ensure it is placed on a completely level surface. Check that all base components are securely seated. Minor adjustments to leg levelers (if present) or shims can resolve this.
- **Scratches or Dents:** Small scratches can sometimes be minimized with wood repair kits or furniture markers. For deeper damage, professional repair may be necessary.
- **Stains:** Address spills immediately. For stubborn stains, consult a professional furniture restorer or use specialized wood cleaning products with caution, testing on an inconspicuous area first.
- **Wood Discoloration:** Prolonged exposure to direct sunlight can cause wood to lighten or darken unevenly. Rotate items placed on the table periodically to ensure even exposure.

6. PRODUCT SPECIFICATIONS

Feature	Detail
Brand	Mercana
Model Name	Ledger III
Model Number	68244
Dimensions (D x W x H)	38"D x 84"W x 30"H
