Bailey NH.Z020A

Bailey Blue Dolphin LED Neon Night Light (Model NH.Z020A) Instruction Manual

Model: NH.Z020A | Brand: Bailey

INTRODUCTION

Thank you for purchasing the Bailey Blue Dolphin LED Neon Night Light. This manual provides essential information for the safe and efficient use of your new decorative light. Please read these instructions carefully before use and retain them for future reference.

This LED neon light is designed to create a warm and romantic atmosphere, perfect for various decorative purposes in bedrooms, kids' rooms, parties, or as a general home accent. It features dual power options for convenience and is built with energy efficiency in mind.

SAFETY INFORMATION

- Use this product carefully to avoid damaging the lamp.

- If the product will not be used for a long time, store the lamp in a cool, dry place and remove the batteries.

- The battery case is not waterproof. Avoid exposure to water or moisture.

- This product is intended for indoor use only.

- Do not use this neon light as a substitute for everyday lighting. It is primarily for decorative purposes.

- Ensure proper ventilation around the device.

- Keep out of reach of children unless supervised.

PACKAGE CONTENTS

Please check the package for the following items:

- 1 x Dolphin LED Neon Light

- 1 x Base

- 1 x USB Cable

- *Note: 3 x AA batteries are not included and must be purchased separately.*

Figure 1: Package contents and power options. The image displays the dolphin neon light, its base with an ON/OFF switch, a USB cable, and a battery box requiring 3 AA batteries (not included).

SETUP

Follow these steps to set up your Dolphin LED Neon Night Light:

1. **Assemble the Light:** Carefully insert the Dolphin LED Neon Light into the slot on the provided base. Ensure it is securely seated.

2. **Choose Power Source:**
   - **Battery Power:** Open the battery compartment on the underside of the base. Insert 3 AA batteries (not included), ensuring correct polarity (+/-). Close the compartment securely.
   - **USB Power:** Connect the included USB cable to the USB port on the base. Plug the other end of the USB cable into a compatible USB power source, such as a computer, power bank, phone charger, or USB wall socket.

3. **Placement:** Place the assembled light on a stable, flat surface in your desired location.

USB POWERED

## Adaptable to various devices, easy to charge!

Figure 3: USB power options. This diagram shows a USB plug and various compatible power sources including a notebook PC, power bank, phone charger, and USB socket.

OPERATING INSTRUCTIONS

To operate your Dolphin LED Neon Night Light:

1. **Power On:** Locate the ON/OFF switch on the base of the light. Slide the switch to the "ON" position to illuminate the dolphin neon light.

2. **Power Off:** To turn off the light, slide the switch to the "OFF" position.

Figure 4: Illuminated Dolphin LED Neon Light. The image shows the blue dolphin light glowing brightly on its base.

MAINTENANCE

Proper maintenance ensures the longevity of your LED neon light:

- **Cleaning:** Gently wipe the light and base with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- **Battery Replacement:** If using battery power and the light dims or stops working, replace all 3 AA batteries with new ones, ensuring correct polarity.
- **Storage:** When not in use for extended periods, remove batteries and store the light in a cool, dry place away from direct sunlight and moisture.

TROUBLESHOOTING

Problem	Possible Cause	Solution

Problem	Possible Cause	Solution
Light does not turn on.	Batteries are dead or incorrectly inserted. USB cable is not properly connected or power source is faulty. ON/OFF switch is in the "OFF" position.	Replace batteries with new ones, ensuring correct polarity. Check USB cable connection and try a different USB power source. Slide the ON/OFF switch to the "ON" position.
Light is dim.	Low battery power.	Replace batteries or switch to USB power.
Light flickers.	Loose connection or low battery.	Check all connections. Replace batteries or try USB power.
