PAWZ Road Cat Tree User Manual

MODEL: AM11-AMT0014BG

1. Product Overview

The PAWZ Road Cat Tree, Model AM11-AMT0014BG, is a multi-level cat tower designed to provide a comfortable and engaging environment for your feline companions. It features dual condos for privacy, a spacious top perch for lounging, and fully wrapped sisal scratching posts to promote healthy clawing habits. This sturdy and safe structure is built with engineered wood and covered in ultra-soft plush fabric, ensuring durability and comfort.

2. Assembly Instructions

Assembly of the PAWZ Road Cat Tree is designed to be straightforward. Step-by-step graphic instructions are included in

the packaging. The estimated installation time is approximately 20-30 minutes. For visual guidance, video assembly instructions can also be found on YouTube by searching for the product model number.

Key Assembly Steps:

1. Identify all components and hardware using the provided parts list.
2. Attach the base plate to the initial support posts.
3. Secure the lower condo and scratching posts to the base.
4. Connect the upper platform and second condo.
5. Install the top perch and remaining scratching posts.
6. Attach the scratching ramp and any dangling toys.

Ensure all screws are tightened securely to maintain stability. The reinforced bottom base contributes to the overall sturdiness of the cat tree.

3. Product Features

- **Sturdy and Safe Design:** Features a reinforced bottom base for enhanced stability, preventing wobbling or tipping during active play.
- **Spacious Top Perch:** An extra-large top perch with a raised rim provides maximum comfort for cats to lounge and observe their surroundings.

4. Operating Instructions

The PAWZ Road Cat Tree is designed for intuitive use by cats of all life stages. Encourage your cat to explore the various levels, condos, and scratching surfaces. Place the cat tree in a location where your cat feels comfortable and can observe its surroundings, such as near a window.

- **Lounging:** The top perch and various platforms offer elevated spots for resting and napping.
- **Hiding:** The dual condos provide enclosed spaces for privacy and security.
- **Scratching:** Direct your cat to the sisal-wrapped posts and scratching ramp to satisfy their natural urge to scratch.
- **Playing:** The dangling balls provide an engaging toy for batting and pouncing.

5. Maintenance

Regular maintenance will extend the life of your PAWZ Road Cat Tree and keep it hygienic for your pet.

- **Cleaning:** The plush fabric components, including the top perch cover, are removable and machine washable for easy cleaning. Follow the 'Machine Wash' care instructions.

- **Sisal Posts:** Periodically check the sisal scratching posts for wear and tear. While durable, heavy use may require

replacement over time.

- **Dangling Balls:** Replace dangling balls as needed using the provided spares or compatible replacements.
- **Stability Check:** Regularly inspect all connections and tighten screws if any looseness is detected to ensure continued stability and safety.

6. Troubleshooting

If you encounter any issues with your cat tree, consider the following common solutions:

- **Wobbling:** Ensure all assembly screws are fully tightened. Verify the cat tree is placed on a flat, stable surface.
- **Cat Not Using Tree:** Try placing catnip on the tree, especially on scratching posts or inside condos. Place familiar blankets or toys on the tree. Ensure the tree is in a quiet, accessible location.
- **Damaged Parts:** For damaged components (excluding dangling balls), refer to the warranty information for replacement options.
