HR Fabric Saree Lace User Manual

Model: HR026 | Brand: HR

1. PRODUCT OVERVIEW

The HR Fabric Saree Lace is a designer, fancy, and stylish lace primarily used for enhancing ethnic Indian dresses such as sarees, lehengas, cholis, suits, and kurtis. It is also suitable for various craft projects and home decor applications. This material is designed to beautify garments and can be incorporated into Indo-Western tops, gowns, and traditional designer wear. Its versatility also extends to gift wrapping decoration and handbag embellishment.

- **Design:** Multi-color embroidered lace trim.
- **Dimensions:** 900 cm (Length) x 8 cm (Width) x 1 cm (Height).
- **Material:** Fabric.
- **Color:** Yellow.
- **Package Contents:** 1 Roll (9-Meter Saree Lace).

2. SETUP AND PREPARATION

The HR Fabric Saree Lace is ready for immediate use upon unpacking. No complex assembly or setup is required.

1. **Unpacking:** Carefully remove the lace roll from its packaging. The product is typically packed safely in a bubble bag.
2. **Inspection:** Before use, inspect the entire length of the lace for any visible damage or irregularities. Ensure the embroidery and embellishments are intact.
3. **Measurement:** Measure the required length of lace for your specific project (e.g., garment, craft item).

3. OPERATING INSTRUCTIONS

This lace is designed for decorative application. Its primary use involves sewing or adhering to fabric or other materials to enhance their aesthetic appeal.

- **For Garment Embellishment:**

Position the lace along the desired edge or surface of the garment (e.g., saree border, lehenga hem, kurti neckline). Secure the lace in place using pins. Stitch the lace firmly to the garment using a sewing machine or by hand. Ensure stitches are neat and secure to prevent fraying or detachment.

- **For Craft and Home Decor:**

Depending on the craft project, the lace can be glued, stitched, or otherwise affixed to materials such as paper, cardboard, wood, or other fabrics. For best results, use an adhesive suitable for fabric and the material you are working with.

4. MAINTENANCE AND CARE

Proper care will help maintain the quality and longevity of your HR Fabric Saree Lace.

- **Cleaning:** Due to the delicate nature of the embroidery and embellishments, it is recommended to spot clean or dry clean the lace if it is not attached to a washable garment. If attached to a garment, follow the garment's care instructions, preferably opting for gentle hand wash or dry cleaning to protect the lace.
- **Storage:** Store the lace in a cool, dry place, away from direct sunlight. Keep it away from corrosive liquids or excessive heat, as these can damage the fabric, embroidery, or embellishments.
- **Handling:** Handle the lace with care to avoid snagging the threads or dislodging the embellishments.

5. TROUBLESHOOTING

While the HR Fabric Saree Lace is designed for durability, minor issues can be addressed with simple solutions.

- **Fraying Edges:** If the cut edges of the lace begin to fray, apply a small amount of fabric glue or use a fray-check solution to seal the edges.
- **Loose Threads:** Carefully trim any loose threads with sharp scissors. Do not pull them, as this may

unravel the embroidery.

- **Damaged Embellishments:** If an embellishment becomes loose or detached, it can often be re-secured with a strong fabric adhesive or by carefully stitching it back into place.
- **Discoloration:** Ensure the lace is stored away from direct sunlight and harsh chemicals to prevent discoloration over time.
