## HOWARD LS0006

# Howard Products Leather Salve LS0006 Instruction Manual

Model: LS0006

## PRODUCT OVERVIEW

Howard Products Leather Salve is a penetrating conditioner designed to rejuvenate, restore, and protect various leather surfaces. It helps to bring back the lost suppleness to dehydrated leather, reduce the appearance of scratches, and preserve leather from future decay.

## Key Features

- **Deep Penetration:** Revives leather with a non-greasy finish.
- **Preserves Leather:** Formulated with beeswax and carnauba wax for protection and softness.
- **Finest Oils Used:** Lanolin and essential oils prevent fine lines and wear.
- **Easy Application:** Spreads smoothly to enhance shine and preserve leather.
- **Range of Uses:** Versatile for couches, auto interiors, boots, shoes, and bags.

## SAFETY INFORMATION

For external use on leather only. Not recommended for suede or nubuck. Always test on an inconspicuous area first to ensure compatibility and desired results. Keep out of reach of children and pets.

## PREPARATION

Before applying Howard Products Leather Salve, ensure the leather surface is clean and free of dust, dirt, and debris. Use a soft cloth to gently wipe down the area.

## APPLICATION GUIDE

1. **Apply Sparingly:** Dip a clean, soft cloth or applicator into the Leather Salve. A small amount is usually sufficient.
2. **Rub into Leather:** Gently rub the salve into the leather surface using a circular motion. Ensure even coverage. Pay attention to dry or scratched areas.

Image: A hand using a cloth to apply Howard Products Leather Salve to a section of a brown leather couch, showing the product being worked into the material.

3. **Allow to Penetrate:** Let the salve penetrate the leather for at least one hour. For heavily dehydrated leather, allow more time.
4. **Buff (Optional):** After the salve has absorbed, you may buff the surface with a clean, dry cloth to achieve a desired sheen. Note that the product is designed to be non-greasy.

## MAINTENANCE

For best results and to maintain the health and appearance of your leather, reapply Howard Products Leather Salve periodically, or as needed, especially for items exposed to frequent use or environmental stressors. Regular application helps prevent drying, cracking, and fading.

## COMMON QUESTIONS

### Why does my leather appear darker after application?

Howard Products Leather Salve deeply penetrates and nourishes the leather, which can temporarily darken its appearance, especially on lighter tones. This is a normal effect of conditioning and typically evens out over time as the product fully absorbs. Always test on an inconspicuous area first.

### Is it suitable for all leather types?

This product is formulated for smooth leather surfaces. It is not recommended for use on suede or nubuck leather.

## PRODUCT SPECIFICATIONS

Attribute	Detail
Brand	HOWARD
Model Number	LS0006
Item Form	Paste
Scent	Aloe Vera, Orange
Specific Uses	Leather
Surface Recommendation	Leather
Material Feature	Natural
Item Volume	6 Fluid Ounces
Item Weight	6 Ounces
Made In	USA
