Touchstone 80037

Touchstone Sideline Elite Smart 60-Inch Electric Fireplace Instruction Manual

Model: 80037 | Brand: Touchstone

INTRODUCTION

This manual provides essential information for the safe and efficient installation, operation, and maintenance of your Touchstone Sideline Elite Smart 60-inch WiFi-Enabled Electric Fireplace. Please read all instructions carefully before use and retain this manual for future reference.

SAFETY INFORMATION

- Ensure the fireplace is installed according to local electrical codes.
- Do not cover the heat vents located on the upper front area of the unit.
- Keep combustible materials at least 3 feet (0.9 meters) away from the front of the fireplace.
- Always unplug the fireplace before cleaning or performing maintenance.
- This appliance is hot when in use. To avoid burns, do not let bare skin touch hot surfaces.
- Keep children and pets away from the fireplace.

PACKAGE CONTENTS

Your Touchstone Sideline Elite Smart 60-inch Electric Fireplace package includes:

- Electric Fireplace Unit (Model 80037)
- Remote Control (Batteries not included)
- Faux Fire Log Set
- Driftwood Media
- Crystals Media
- Drywall Anchors and Screws
- Instruction Manual

SETUP AND INSTALLATION

The Sideline Elite Smart 60-inch Electric Fireplace is designed for in-wall recessed mounting. Careful measurement is crucial for a seamless installation.

Measuring for Recessed Installation

Before beginning installation, measure your desired fireplace opening. The recessed dimensions for this model are 58 7/16" wide x 18" high x 5 1/8" deep. Ensure these dimensions are precise for proper fit.

Choose From 10 Ember Bed Colors and 6 Flame Colors on Your Sideline Elite
To Match Your Style

Included Media Options

Logset
Crystals
Driftwood

Select From

- 3 flame speeds
- 5 flame and media bed light intensity settings
- 60 color combinations

Power Connection

This unit can be either plugged into a standard 3-prong outlet or hardwired directly into your electrical system. Consult a qualified electrician for hardwiring to ensure compliance with all electrical codes.

Clearance Requirements

It is recommended that this fireplace be positioned at least 8 inches below the ceiling or any item mounted directly above the fireplace to allow for proper heat dissipation.

Installation Video

Flame and Media Customization

The Sideline Elite 60 offers extensive customization for its visual effects:

- **Flame Colors:** Choose from 6 distinct flame color options.
- **Media Colors:** Select from 10 media color options for the ember bed.
- **Combinations:** Enjoy up to 60 unique color combinations.
- **Flame Speed:** Adjust between 3 flame speeds.
- **Intensity Settings:** Fine-tune 5 flame and fire bed intensity settings.
- **Included Media:** The unit comes with a full log-set, driftwood, and crystals, allowing you to change the look of the fire bed.

A MESSAGE FROM TOUCHSTONE

We launched **Touchstone Home Products** in 2005 to be an innovator in electric fireplaces, TV lift cabinets, and lift mechanisms. We have continued to thrive due to our quality products and personable sales and support staff. We would like to thank you for trusting Touchstone in your home, and for that we are grateful.

Heating Functions

The fireplace provides supplemental heat for rooms up to 400 sq. ft. Heat and flame settings can be operated independently.

- **Heat Settings:** Two heat settings (high and low).
- **Thermostat:** Adjustable thermostat from 68-88 degrees Fahrenheit.
- **Timer:** Features a 1-8 hour timer for automatic shut-off.
- **Heat Vents:** Located on the upper front area of the unit.

MAINTENANCE

To ensure the longevity and optimal performance of your electric fireplace, follow these simple maintenance guidelines:

- **Cleaning:** Regularly wipe the exterior surfaces with a soft, damp cloth. Avoid abrasive cleaners.
- **Ventilation:** Keep the heat vents clear of dust and obstructions to maintain efficient heating.
- **Bulb Replacement:** Refer to the detailed instructions in the full manual for guidance on replacing any internal light bulbs, if applicable.

TROUBLESHOOTING

If you encounter any issues with your fireplace, please refer to the following common troubleshooting steps:

- **No Power:** Check if the unit is properly plugged into a working outlet or if the circuit breaker has tripped.
- **No Heat:** Ensure the heat function is activated via the remote or control panel and that the thermostat is set to a temperature higher than the ambient room temperature.
- **Remote Not Working:** Replace the AAA batteries in the remote control. Ensure there are no obstructions between the remote and the fireplace sensor.
- **Unusual Noises:** If you hear unusual noises, turn off the unit immediately and consult the full manual or customer support.

For more detailed troubleshooting, please consult the comprehensive manual provided with your product or contact Touchstone Customer Support.
