Beautyrest BR800

Beautyrest BR800 13-inch Plush Pillow Top Mattress

Model: 700810007-1050

INTRODUCTION

This manual provides essential information for the proper setup, use, and maintenance of your new Beautyrest BR800 13-inch Plush Pillow Top Mattress. Please read these instructions carefully to ensure optimal performance and longevity of your product. The Beautyrest BR800 mattress features 800 Series Pocketed Coil Technology for individualized support, DualCool Technology to maintain a comfortable sleep temperature, and Gel Memory Foam Lumbar Support for targeted comfort.

SETUP

- Unpacking:** Carefully remove the mattress from its packaging. Avoid using sharp objects that could damage the fabric.
- Placement:** Place the mattress on a clean, sturdy, and supportive foundation. This can include a compatible box spring, a slatted platform bed with slats no more than 2 inches apart, or a solid platform. An improper foundation can affect mattress performance and void the warranty.
- Orientation:** Position the mattress with the pillow top facing upwards. The mattress is designed for single-sided use and does not require flipping.

This image displays the Beautyrest BR800 Queen Plush Pillow Top Mattress installed on a bed frame within a bedroom environment, illustrating its typical appearance and scale.

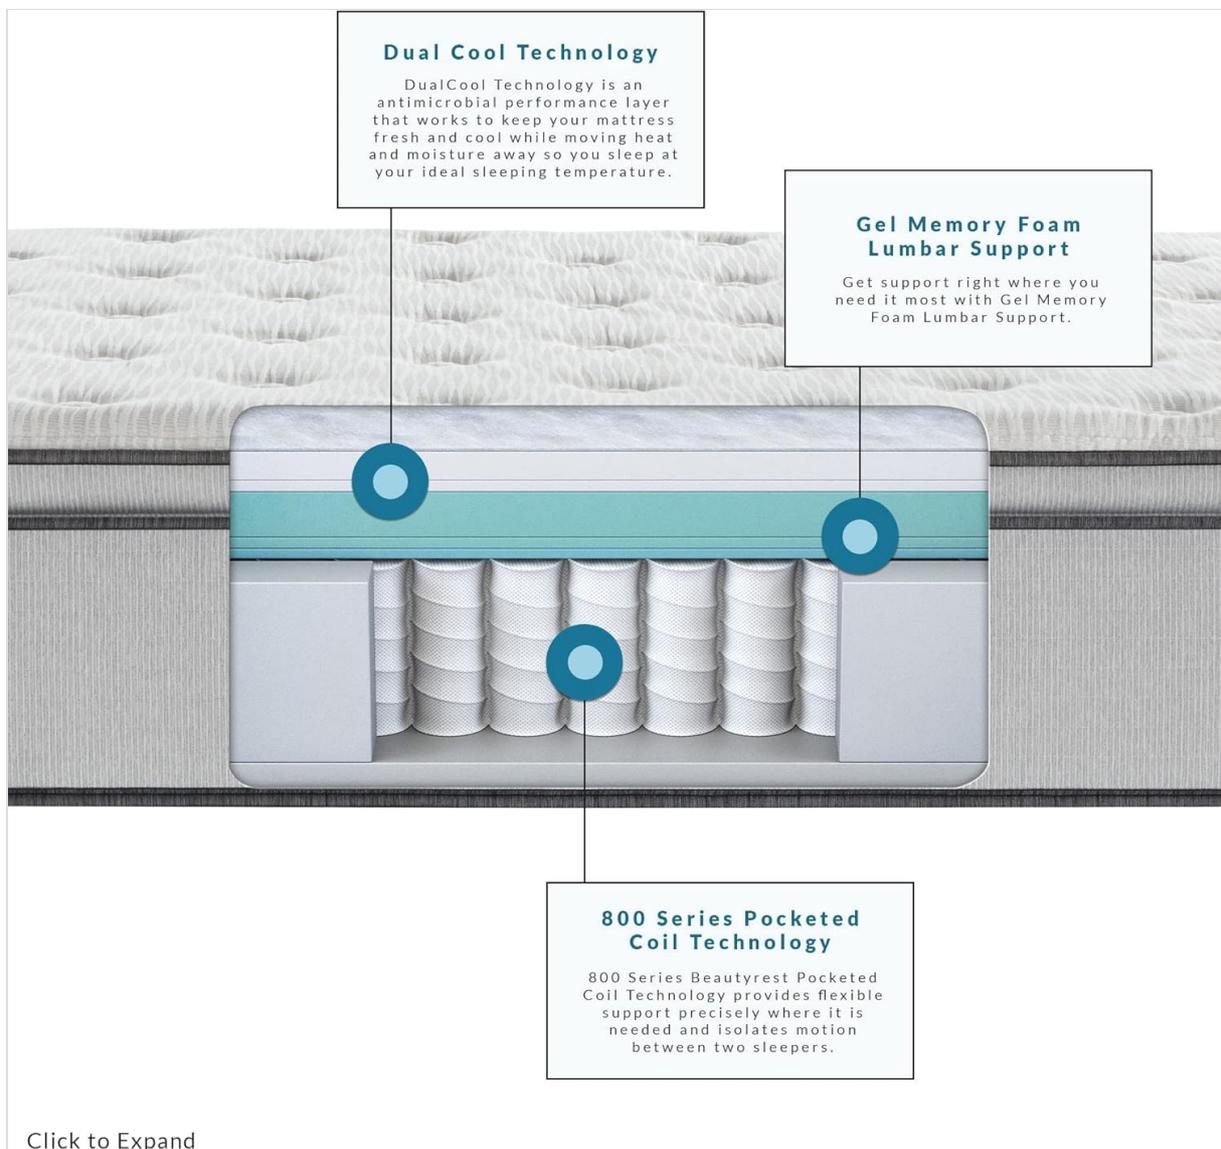

Shown with Low Profile Box Spring

This image shows the Beautyrest BR800 Queen Plush Pillow Top Mattress paired with a low profile box spring, demonstrating a recommended foundation type for proper support.

OPERATING (USAGE)

Your Beautyrest BR800 mattress is engineered for comfort and support. The 800 Series Pocketed Coil Technology provides conforming support and minimizes motion transfer, while the DualCool Technology helps regulate temperature. The Gel Memory Foam Lumbar Support offers enhanced pressure relief where it is most needed.

- **Initial Adjustment:** Allow a few weeks for your body to adjust to the new mattress and for the mattress materials to fully settle.
- **Rotation:** To promote even wear and extend the life of your mattress, it is recommended to rotate the mattress 180 degrees (head to foot) every 3-6 months. This mattress is not designed to be flipped.
- **Support:** Ensure your bed frame provides adequate center support to prevent sagging, especially for Queen and King sizes.

This detailed cutaway illustration of the Beautyrest BR800 mattress reveals its internal construction, including the 800 Series Pocketed Coil Technology, the Dual Cool Technology layer, and the Gel Memory Foam Lumbar Support, explaining how these features contribute to comfort and support.

MAINTENANCE

- **Cleaning:** Spot clean any spills immediately using a mild soap and cold water. Blot the area gently; do not saturate the mattress. Avoid using harsh chemicals, dry cleaning fluids, or strong detergents, as these can damage the materials and void the warranty.
- **Protection:** Use a quality mattress protector to safeguard against spills, stains, and allergens.
- **Ventilation:** Allow the mattress to air out periodically by removing bedding.
- **Handling:** Do not bend, fold, or jump on the mattress, as this can damage the internal components and structure. Use the handles (if present) for positioning only, not for lifting or carrying.

TROUBLESHOOTING

- **Body Impressions:** Minor body impressions (less than 1.5 inches) are normal and indicate that the comfort layers are conforming to your body. This is not considered a manufacturing defect.
- **Comfort Issues:** If you experience discomfort, ensure your foundation is appropriate and provides adequate support. Allow sufficient time for your body to adjust to the new mattress.

- **Odors:** A new mattress may have a slight odor upon unpacking. This is normal and will dissipate within a few days in a well-ventilated room.

For issues beyond these common occurrences, please refer to the warranty information or contact customer support.

SPECIFICATIONS

| | |
|----------------------------------|---|
| Item Weight | 74.6 pounds |
| Product Dimensions | 80 x 60 x 13 inches (Queen) |
| Item Model Number | 700810007-1050 |
| Brand | Beautyrest |
| Size | Queen |
| Item Firmness Description | Plush |

WARRANTY

Your Beautyrest BR800 mattress is covered by a manufacturer's warranty. Specific warranty terms, conditions, and duration are typically provided with your purchase documentation or can be found on the official Beautyrest website. Please retain your proof of purchase for warranty claims. The warranty generally covers manufacturing defects and excludes normal wear and tear, improper use, or damage from an unsuitable foundation.

SUPPORT

For further assistance, questions, or to report an issue, please contact Beautyrest Customer Support. You can typically find contact information, including phone numbers and online support portals, on the official Beautyrest website. When contacting support, please have your model number (700810007-1050) and proof of purchase readily available.
