5. MAINTENANCE AND CARE

Proper care and maintenance will extend the life of your television.

- **Cleaning the Screen:** Use a soft, lint-free cloth specifically designed for electronics. Do not use harsh chemicals or abrasive cleaners.
- **Cleaning the Cabinet:** Wipe with a soft, dry cloth.
- **Ventilation:** Ensure adequate ventilation around the TV to prevent overheating. Do not block ventilation openings.
- **Power Cord:** Handle the power cord carefully. Do not place heavy objects on it or expose it to sharp edges.

6. TROUBLESHOOTING

This section provides solutions to common issues you might encounter with your Haier TV. If the problem persists, please contact Haier customer support.

Problem	Possible Cause	Solution
No Power	Power cord not connected; Power outlet not working.	Ensure power cord is securely plugged in; Test power outlet with another device.
No Picture, But Has Sound	Incorrect input source selected; Loose video cable connection.	Press "Source" button on remote to select correct input; Check video cable connections.
No Sound, But Has Picture	Volume is muted or too low; External audio system issues.	Unmute volume or increase level; Check connections to external audio devices.
Remote Control Not Working	Batteries are dead or incorrectly inserted; Obstruction between remote and TV.	Replace batteries; Ensure clear line of sight to TV's IR sensor.
Smart Features Not Working (e.g., Wi-Fi)	Network connection issue; Router problem.	Check Wi-Fi settings on TV; Restart your router.
