This charming set, part of the Harvest Crossing collection, depicts a farmstand scene with a vintage truck, a farmer, and customers, designed to enhance your miniature village or display.

PACKAGE CONTENTS

Your Lemax Buy Local Set of 3 includes the following polyresin pieces:

- One (1) vintage-style farm truck with "Miller's Farm" logo.
- One (1) farmstand scene with a farmer and customers, featuring various produce.

To the right, a farmstand is depicted with a farmer handing an apple to a customer holding a child. Various miniature produce items like apples, berries, corn, and pumpkins are displayed around the stand.

SETUP AND PLACEMENT

1. **Unpacking:** Carefully remove all pieces from their packaging. Inspect each piece for any damage.
2. **Surface Selection:** Choose a flat, stable, and level surface for display. Ensure the area is free from excessive vibrations or direct sunlight, which can cause fading over time.
3. **Arrangement:** The set is designed to be displayed together. Place the farmstand piece and the truck in a configuration that suits your village layout. The small accessory piece can be positioned to complement the main scene.
4. **Stability:** Ensure each piece is stable and not prone to tipping. Adjust placement as needed.

DISPLAY AND CARE

The Lemax Buy Local Set of 3 is a static display piece. No assembly or power is required. To ensure its longevity and appearance:

- **Handling:** Handle pieces gently to avoid chipping or breaking delicate parts. Always lift from the base.
- **Environment:** Keep the set in a dry environment. Avoid extreme temperatures, high humidity, and direct sunlight, which can cause material degradation or color fading.
- **Children and Pets:** This product is a decorative item and not a toy. Keep out of reach of small children and pets to prevent accidental damage or choking hazards.

MAINTENANCE AND STORAGE

- **Cleaning:** To clean, gently dust the figurines with a soft, dry brush or cloth. For stubborn dirt, a slightly damp cloth can be used, but avoid harsh chemicals or abrasive cleaners. Ensure pieces are completely dry before storing.
- **Storage:** When not on display, store the set in its original packaging or a protective container. Wrap individual pieces in soft tissue paper or bubble wrap to prevent scratches and breakage. Store in a cool, dry place.
