

Camaflexi T1404DF

Camaflexi Full Size High Loft Bed with Desk - Grey (Model T1404DF) Instruction Manual

Brand: Camaflexi | Model: T1404DF

INTRODUCTION

This manual provides comprehensive instructions for the assembly, safe operation, and maintenance of your Camaflexi Full Size High Loft Bed with Desk. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

Key Features:

- Constructed of 100% eco-friendly, plantation grown, solid pine wood.
- Features a 14-piece wood slat mattress foundation, eliminating the need for a box spring or bunkie board.
- Ladder can be positioned on either the left or right side of the bed.
- Integrated desk can be placed either under the bed or attached to the outer bed frame.
- Child-safe, urethane protective finish for easy cleaning.
- Meets and exceeds all US Safety Standards and is ASTM Compliant.

SAFETY INFORMATION

WARNING: To help prevent serious or fatal injuries from entrapment or falls:

- Never allow a child under 6 years on upper bunk.
- Use only mattress which is 74"-75" long and 37 1/2" - 38 1/2" wide on upper bunk.
- Ensure thickness of mattress and foundation combined does not exceed 8" and mattress is at least 5" below upper edge of guardrails.
- Use guardrails on both sides of upper bunk.
- Prohibit horseplay on or under bed.
- Prohibit more than one person on upper bunk.
- Use ladder for entering and leaving upper bunk.
- **STRANGULATION HAZARD:** Never attach or hang items to any part of the bunk bed that are not designed for use with the bed, for example, but not limited to hooks, belts and jump ropes.

This product is compliant and certified by ASTM safety standards.

SETUP AND ASSEMBLY

Assembly of the Camaflexi High Loft Bed with Desk requires careful attention to detail. Please follow the steps outlined below. It is recommended to have at least two adults for assembly.

Required Tools (Not Included):

- Phillips Head Screwdriver
- Hammer

Assembly Video for Bed:

Your browser does not support the video tag.

This video provides a visual guide for assembling the main bed frame components. It demonstrates the process of connecting the side rails and end panels, and installing the mattress slats.

Assembly Video for Desk:

Your browser does not support the video tag.

This video illustrates the assembly of the desk component, including attaching the legs and securing it to the bed frame.

General Assembly Steps:

1. **Unpack and Identify Components:** Carefully unpack all parts and hardware. Refer to the parts list (not included in this text, but typically found in the physical manual) to ensure all pieces are present.
2. **Assemble Bed Ends:** Attach the horizontal rails to the vertical posts to form the headboard and footboard sections. Ensure all connections are secure.
3. **Connect Side Rails:** Attach the long side rails to the assembled bed ends.
4. **Install Mattress Slats:** Place the wooden slats across the bed frame and secure them according to the instructions. This forms the mattress foundation.
5. **Assemble Ladder:** Connect the ladder rungs to the ladder side rails. The ladder can be attached to either side of the bed.
6. **Assemble Desk:** Attach the desk legs to the desk surface.
7. **Attach Desk to Bed:** Secure the assembled desk to the bed frame. The desk can be positioned underneath the bed or attached to the outer frame as desired.
8. **Final Tightening:** Once all components are in place, carefully tighten all screws and bolts. Do not overtighten.

OPERATING INSTRUCTIONS

The Camaflexi High Loft Bed with Desk is designed for sleeping and study/work activities. Ensure the bed is placed on a level surface and is stable before use.

- Always use the provided ladder for safe access to and from the upper bunk.
- Do not jump on the bed or engage in rough play on the loft bed.
- The desk area can be used for studying, working, or as additional storage space.
- Ensure the mattress fits snugly within the bed frame to prevent gaps.

MAINTENANCE

Regular maintenance will help prolong the life and safety of your loft bed.

- **Cleaning:** Wipe surfaces with a damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Hardware Check:** Periodically check all bolts, screws, and connections to ensure they are tight. Retighten as necessary, but do not overtighten.
- **Structural Integrity:** Inspect the bed frame and ladder for any signs of damage, cracks, or loose components. Discontinue use if any significant damage is found and contact customer support.

TROUBLESHOOTING

If you encounter any issues with your Camaflexi High Loft Bed, refer to the following common solutions:

- **Bed feels wobbly:** Ensure all assembly hardware is securely tightened. Check that the bed is placed on a flat, even surface.
- **Missing parts:** If any parts are missing upon arrival, do not return the product to the store. Contact Camaflexi customer support directly for replacements.
- **Difficulty with assembly:** Review the assembly videos and step-by-step instructions carefully. Ensure you are using the correct hardware for each step. If issues persist, contact customer support.

SPECIFICATIONS

Brand	Camaflexi
Model Number	T1404DF
