3. PRODUCT OVERVIEW

Familiarize yourself with the components and controls of your headset.

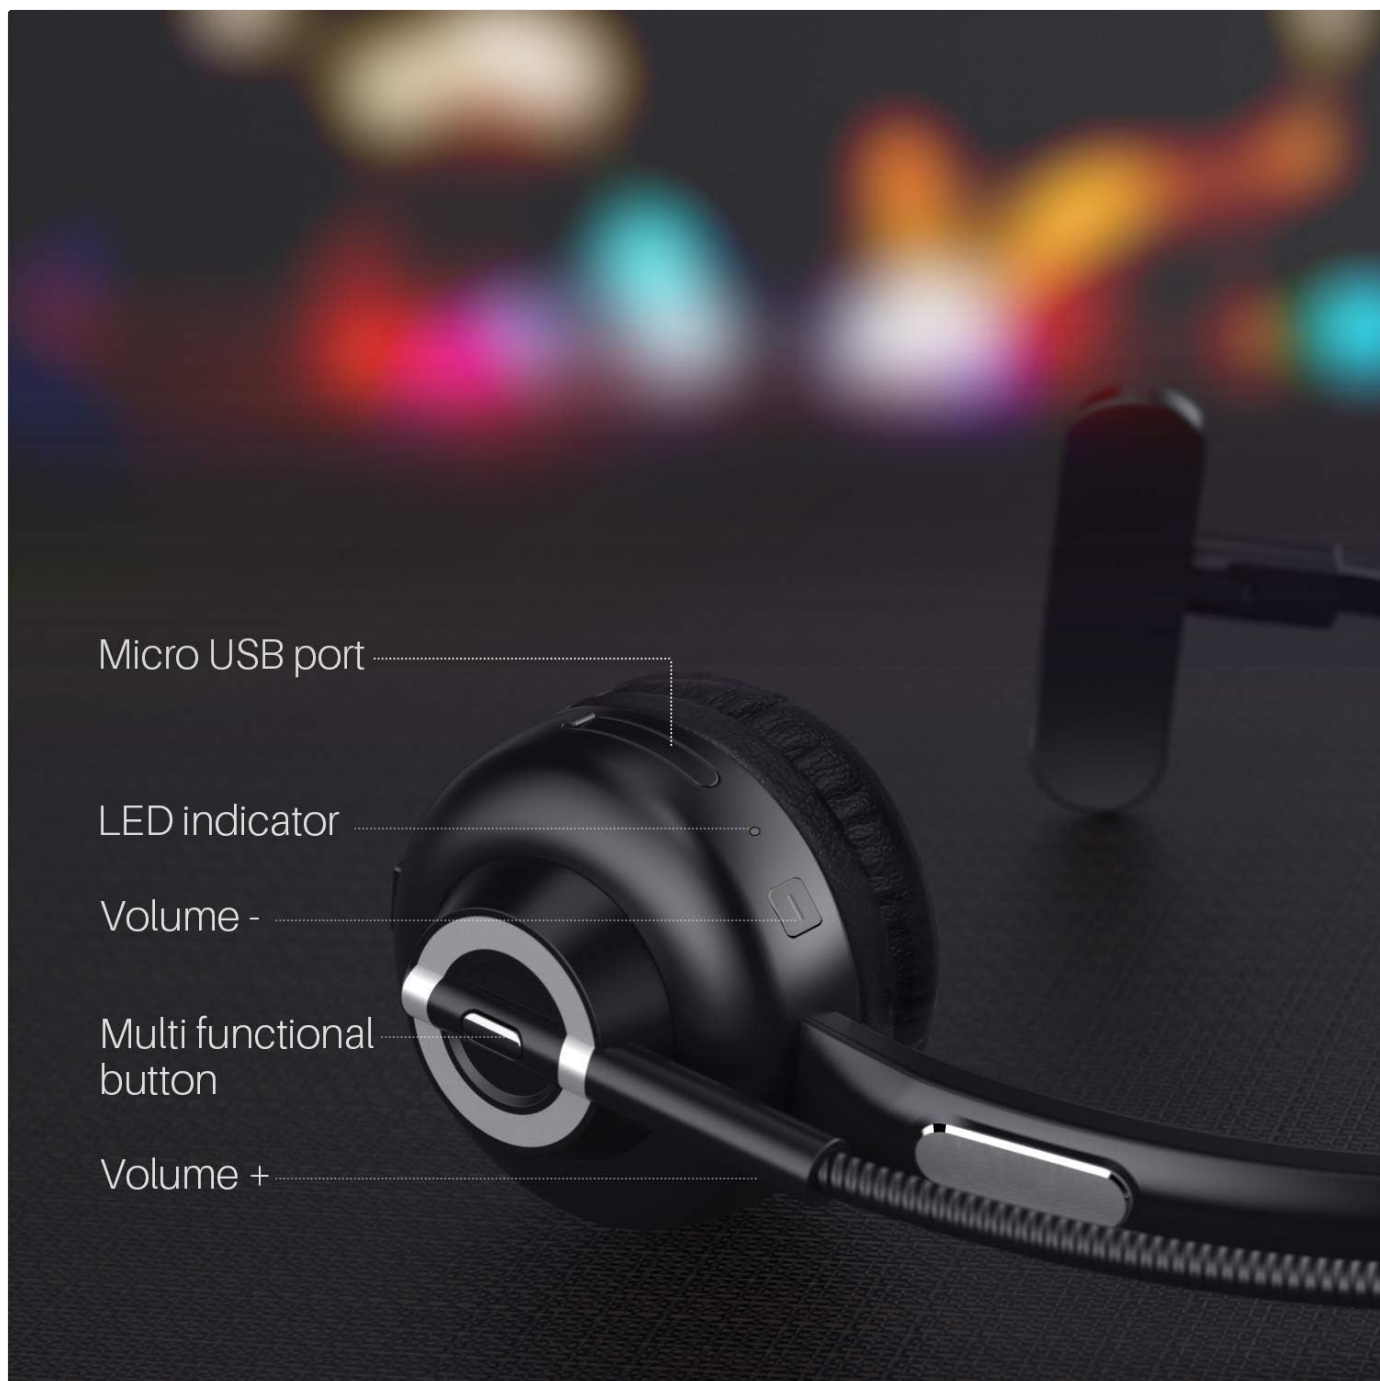

Image: A detailed view of the headset's earcup, highlighting the Micro USB charging port, LED indicator light, Volume Down button, Multi-functional button (MFB), and Volume Up button.

Key Features:

- **Noise-Canceling Microphone:** Ensures crystal-clear conversations by reducing background noise.
- **Bluetooth V5.0:** Provides stable and efficient wireless connectivity.
- **Long Battery Life:** Up to 16 hours of talk time and 180 hours of standby time.
- **Comfortable Design:** Lightweight with padded earmuffs and a flexible headband for extended wear.
- **Multi-point Connection:** Connects to two Bluetooth-enabled devices simultaneously.
- **Easy Controls:** Dedicated buttons for volume, call management, and mute function.

CRYSTAL-CLEAR CALLS

Bluetooth A2DP and advanced noise-suppression mic provide high-quality sound during calls

Built-In Mic

4. CHARGING THE HEADSET

Before first use, fully charge the headset. The headset can be charged using the included charging base or directly via the Micro USB cable.

Charging via Charging Base:

1. Connect the Micro USB charging cable to the charging base and a power source (e.g., USB wall adapter, computer USB port).
2. Place the headset onto the charging base, ensuring the charging contacts align.
3. The LED indicator on the headset will show charging status (e.g., red for charging, blue for fully charged).

Direct Charging:

1. Connect the Micro USB charging cable directly to the Micro USB port on the headset and a power source.
2. The LED indicator on the headset will show charging status.

A full charge takes approximately 2 hours. The headset offers up to 16 hours of talk time and about 180 hours of standby time on a single charge.

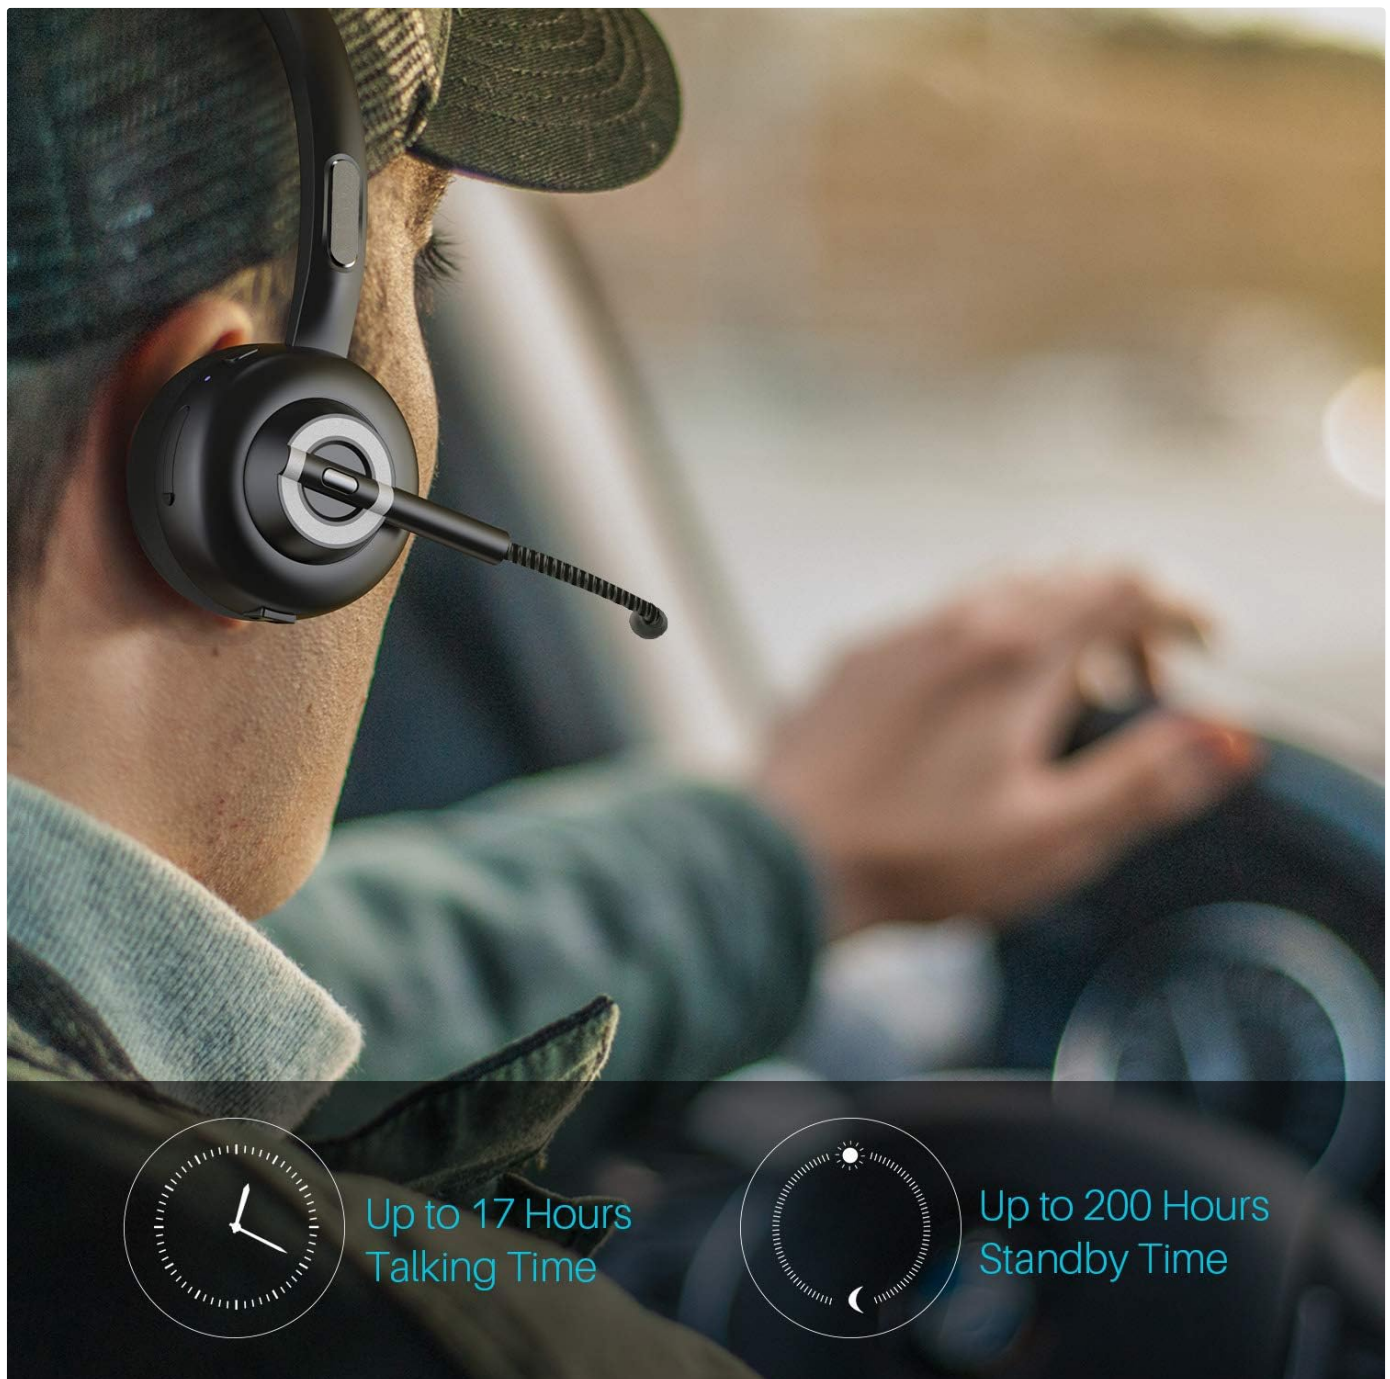

Image: A person wearing the headset while driving, illustrating its long battery life with indicators for up to 17 hours of talk time and up to 200 hours of standby time.

5. PAIRING AND CONNECTION

Follow these steps to pair your headset with a Bluetooth-enabled device.

1. **Ensure Headset is OFF:** Make sure the headset is powered off before starting the pairing process.
2. **Enter Pairing Mode:** Press and hold the Multi-functional Button (MFB) for approximately 5-7 seconds until the LED indicator light alternates between blue and red. This indicates the headset is in pairing mode.
3. **Activate Bluetooth on Your Device:** On your smartphone, computer, or other Bluetooth-enabled device, activate the Bluetooth function. Navigate to the "Settings," "Connect," or "Bluetooth" menu to search for Bluetooth devices.
4. **Select Headset:** Look for "BH-M97" in the list of available devices and select it to connect.
5. **Confirm Connection:** If prompted, press "Yes" or "Confirm" to complete the action.
6. **Enter PIN (if requested):** If a password or PIN is requested, enter "0000" and press "Yes" or "Confirm."

Note:

Your connecting device must have Bluetooth functionality (e.g., PC, cellphone, PS4, MP3 player) to connect with this headset.

The headset supports multi-point connection, allowing it to pair with two devices simultaneously.

CONNECT TWO DEVICES AT ONCE

Image: The headset positioned between two smartphones, demonstrating its ability to connect to two devices at once for fast and stable pairing within a 30-foot range.

6. OPERATING INSTRUCTIONS

Once paired, you can use the headset for calls and music playback.

Call Functions:

- **Answer Call:** Press the Multi-functional Button (MFB) once.
- **Reject Call:** Press and hold the MFB for approximately 2 seconds.
- **End Call:** Press the MFB once during a call.
- **Voice Dial:** Double-press the MFB (if supported by your device).

- **Volume Up/Down:** Use the **VOL+** and **VOL-** buttons on the headset.
- **Mute Microphone:** Press the dedicated mute button (if available, or refer to device-specific instructions if MFB handles it).

Music Playback:

- **Play/Pause:** Press the MFB once.
- **Next Song:** Press and hold the **VOL+** button.
- **Previous Song:** Press and hold the **VOL-** button.
- **Volume Up/Down:** Use the **VOL+** and **VOL-** buttons.

Important Note on Volume:

The volume buttons on the headset control the headset's internal volume. If the audio is still not loud enough after adjusting the headset to its highest volume, please also adjust the volume on your connected smartphone or device.

7. SPECIFICATIONS

Feature	Specification
Bluetooth Version	V5.0

Working Range	Up to 33 feet (10 meters)
Talking Time	Up to 16 hours
Standby Time	About 180 hours
Battery Capacity	180mAh
Charge Time	About 2 hours
Microphone	Noise-canceling boom mic
Ear Placement	On Ear
Weight	Approximately 1.8 oz (51g)
Connectivity	Wireless (Bluetooth)
Compatible Devices	Bluetooth-enabled devices (Android, iOS, PC, etc.)

8. CARE AND MAINTENANCE

- Keep the headset dry. Do not expose it to moisture or extreme temperatures.
- Clean the headset with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.
- Store the headset in a cool, dry place when not in use.
- Avoid dropping or subjecting the headset to strong impacts.
- Do not attempt to disassemble or modify the headset, as this will void the warranty.

9. TROUBLESHOOTING

Problem	Solution
Headset does not turn on.	Ensure the headset is fully charged. Connect it to the charging base or directly via USB cable.
Cannot pair with device.	◦ Make sure the headset is in pairing mode (LED alternates blue/red). ◦ Ensure Bluetooth is enabled on your device. ◦ Check if the headset is already connected to another device. ◦ Move the headset closer to your device (within 33 feet). ◦ Restart both the headset and your device.
No sound or low volume.	◦ Increase the volume on both the headset and your connected device. ◦ Ensure the headset is properly connected to your device. ◦ Check if the audio output is set to the headset on your device.
Microphone not working.	◦ Ensure the microphone is not muted. ◦ Check microphone settings on your connected device. ◦ Ensure the headset is selected as the input device.
Connection drops frequently.	◦ Ensure the headset is within the 33-foot operating range of your device. ◦ Avoid obstacles between the headset and your device. ◦ Reduce interference from other wireless devices.

10. WARRANTY AND SUPPORT

The RAOPINGX M97 headset comes with a 30-day return policy. For any issues or support inquiries, please contact the seller or refer to your purchase platform for assistance.
