Paladone Millennium Falcon Posable Desk Lamp - Instruction Manual

1. INTRODUCTION

This manual provides essential information for the safe and effective use of your Paladone Millennium Falcon Posable Desk Lamp. This officially licensed Star Wars product is designed to provide adjustable LED lighting and serve as a decorative item for your desk or workspace.

The Paladone Millennium Falcon Posable Desk Lamp features a detailed replica of the iconic starship mounted on an adjustable arm.

A detailed 1:180 scale replica of the Millennium Falcon forms the lamp head.

2. SAFETY INFORMATION

- Read all instructions before use.
- This product is for indoor use only. Do not expose to water or high humidity.
- Use only with a compatible USB power source (not included).
- Do not attempt to disassemble or modify the lamp.
- Keep out of reach of small children.
- Unplug the lamp from the power source before cleaning or if not in use for extended periods.

3. PACKAGE CONTENTS

Verify that all items are present in the package:

- Millennium Falcon Posable Desk Lamp
- 3-meter USB Power Cable with inline toggle switch

4. SETUP

1. Carefully remove all components from the packaging.
2. Place the lamp base on a stable, flat surface.
3. Connect the USB power cable to the lamp's base.
4. Plug the USB connector into a compatible USB power adapter (e.g., phone charger, computer USB port) or a powered USB hub.

The lamp is powered via a USB cable, featuring an inline toggle switch for easy operation.

5. OPERATING INSTRUCTIONS

The Millennium Falcon Posable Desk Lamp is designed for ease of use and flexibility.

5.1 Power On/Off

Locate the inline toggle switch on the USB power cable. Flip the switch to the 'ON' position to illuminate the LED light source located at the rear of the Millennium Falcon. Flip the switch to the 'OFF' position to turn off the light.

5.2 Adjusting the Lamp

The lamp features a posable arm with multiple joints, allowing you to adjust the height and angle of the Millennium Falcon head. Loosen the adjustment knobs on the arm to reposition, then tighten them to secure the lamp in your desired position. The Millennium Falcon head can also swivel independently.

The adjustable arm allows for precise positioning of the light, ideal for various tasks.

6. FEATURES

- **Iconic Design:** Features a detailed replica of the Millennium Falcon.
- **Posable Arm:** Adjustable arm allows for versatile positioning of the light.
- **USB Powered:** Conveniently powered via a standard USB connection.
- **LED Light Source:** Provides efficient and long-lasting illumination.
- **Sustainable Material:** Made from BDP (Breakdown Plastic), an organic additive that aids in plastic degradation in landfills.

The lamp is constructed using Breakdown Plastic (BDP), an environmentally conscious material.

The lamp's design captures the essence of the Millennium Falcon, even when not in use.

7. MAINTENANCE

- **Cleaning:** Wipe the lamp with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- **Storage:** Store the lamp in a cool, dry place when not in use.

8. TROUBLESHOOTING

8.1 Light Not Turning On

- Ensure the USB cable is securely connected to both the lamp and the power source.
- Verify that the USB power source is functioning correctly.
- Check the inline toggle switch on the cable to ensure it is in the 'ON' position.

8.2 Lamp Instability

- Ensure the lamp base is placed on a flat, stable surface.
- Tighten all adjustment knobs on the posable arm to secure the desired position.
