3. Operating (Wearing Instructions)

These sliders are designed for easy wear. Simply slide your foot into the sandal, ensuring a comfortable fit. They are intended for casual use and provide comfort for everyday activities.

- Ensure the correct size is chosen for optimal comfort and fit. Refer to the size guide below.
- Wear on dry surfaces as the product is not water resistant.

4. Maintenance and Care

Proper care will extend the life and appearance of your Adidas Adilette Aqua Sliders. Follow these guidelines:

- **Air and De-odorize:** Allow your pair of shoes to air and de-odorize at regular intervals. This helps prevent odors and maintains freshness.
- **Storage:** Use shoe bags to prevent any stains or mildew when storing. Store in a cool, dry place away from direct sunlight.
- **Cleaning:** Dust any dry dirt from the surface using a clean, soft cloth. For more stubborn dirt, a damp

cloth with mild soap can be used, then wipe dry.

- **Avoid Chemicals:** Do not use polish, shiner, or harsh chemical cleaners, as these can damage the material.

5. Troubleshooting

While the Adilette Aqua Sliders are designed for simplicity, here are some common considerations:

- **Fit Issues:** If the sliders feel too tight or too loose, ensure you have selected the correct size. Refer to the size guide for accurate measurements. Footwear fit can vary slightly between individuals.
- **Discomfort:** If experiencing discomfort, check for any foreign objects inside the slider or ensure the footbed is clean. Discontinue use if discomfort persists.
- **Slipping:** The product is not water-resistant. Use caution on wet or slippery surfaces to prevent falls.
