Joyroom JR-T05

Joyroom JR-T05 Wireless Earbuds User Manual

Model: JR-T05

INTRODUCTION

Thank you for choosing the Joyroom JR-T05 Wireless Earbuds. This manual provides essential information for the safe and efficient use of your device. Please read it thoroughly before use and retain it for future reference.

PRODUCT OVERVIEW

The Joyroom JR-T05 consists of two wireless earbuds and a portable charging case. Familiarize yourself with the components:

Image: Joyroom JR-T05 Wireless Earbuds and Charging Case. This image displays the white Joyroom JR-T05 wireless earbuds, with one earbud positioned partially within its charging case and the other earbud shown separately above. The charging case is also white and features the 'JOYROOM' brand logo.

- **Earbuds:** Left and Right wireless earbuds with in-ear design.
- **Charging Case:** Portable case for charging and storing the earbuds.
- **Charging Cable:** (Not explicitly mentioned but implied for charging case)

SETUP

1. Initial Charging

1. Place both earbuds into the charging case.
2. Connect the charging case to a power source using a compatible USB cable.
3. Allow the case and earbuds to fully charge before first use. Charging indicators will show the status.

2. Bluetooth Pairing

1. Ensure the earbuds are charged.
2. Open the charging case. The earbuds will automatically enter pairing mode (indicated by flashing lights, refer to product for specific light patterns).
3. On your mobile phone or Bluetooth-enabled device, go to Bluetooth settings.
4. Search for "JR-T05" or a similar device name in the list of available devices.
5. Select "JR-T05" to connect. Once connected, the earbuds will indicate successful pairing (e.g., a voice prompt or steady light).
6. For subsequent uses, the earbuds will automatically connect to the last paired device when removed from the case.

OPERATING INSTRUCTIONS

The JR-T05 earbuds feature touch controls for various functions:

- **Power On:** Remove earbuds from the charging case. They will power on automatically.
- **Power Off:** Place earbuds back into the charging case. They will power off automatically. Alternatively, disconnect Bluetooth from your device.
- **Play/Pause:** Tap either earbud once.
- **Next Track:** Double-tap the right earbud.
- **Previous Track:** Double-tap the left earbud.
- **Answer/End Call:** Tap either earbud once during an incoming call or during an active call.
- **Reject Call:** Press and hold either earbud for approximately 2 seconds during an incoming call.
- **Activate Voice Assistant:** Triple-tap either earbud (functionality may vary by device).
- **Volume Control:** Volume is typically controlled via your connected mobile device.
- **Single/Dual Earbud Mode:** The earbuds support independent use. You can use either the left or right earbud alone, or both together for stereo sound.

MAINTENANCE

- **Cleaning:** Use a soft, dry, lint-free cloth to clean the earbuds and charging case. Do not use harsh chemicals or abrasive materials.
- **Storage:** When not in use, store the earbuds in their charging case to protect them and keep them charged. Store in a cool, dry place away from extreme temperatures.
- **Battery Care:** To prolong battery life, avoid fully discharging the earbuds and charging case frequently. Charge regularly, even if not used for extended periods.
- **Water Resistance:** The earbuds feature an IPX5 water-resistant design, protecting them from sweat and light splashes. They are not designed for submersion in water or use during swimming. Ensure earbuds are dry before placing them in the charging case to prevent damage.

TROUBLESHOOTING

Problem	Solution
Earbuds not pairing with device.	<ul style="list-style-type: none">• Ensure earbuds are charged and out of the case.• Turn off and on Bluetooth on your device.• Forget "JR-T05" from your device's Bluetooth list and try pairing again.• Ensure no other devices are connected to the earbuds.

Problem	Solution
Only one earbud is working.	<ul style="list-style-type: none"> Place both earbuds back into the charging case, close the lid, then open it again and remove both earbuds. Ensure both earbuds are charged. Try resetting the earbuds (refer to manufacturer's website for specific reset instructions if needed).
Earbuds not charging.	<ul style="list-style-type: none"> Ensure the charging cable is securely connected to both the case and the power source. Check if the charging case itself has power. Clean the charging contacts on both the earbuds and inside the case with a dry cotton swab.
Poor sound quality or disconnections.	<ul style="list-style-type: none"> Ensure your device is within the Bluetooth range (typically 10 meters/33 feet) without significant obstacles. Check for interference from other wireless devices. Ensure earbuds are clean and properly seated in your ears.
