# Hitachi 760L Side By Side Refrigerator Instruction Manual

Model: RW760PUK7GBK
Brand: HITACHI

## Product Overview

The Hitachi 760L Gross Side By Side 4 Doors Premium Refrigerator (Model RW760PUK7GBK) is designed for optimal food preservation and convenience. It features advanced cooling technologies and user-friendly controls.

Front view of the Hitachi 760L Side By Side Refrigerator in Glass Black finish, featuring four doors and an external water dispenser.

## Key Features:

- **Dual Fan Cooling:** Dedicated fans for each compartment ensure optimal and energy-efficient cooling throughout the refrigerator and freezer.
- **High Power Inverter Compressor:** Provides powerful and efficient cooling with microcomputer control, adapting to cooling needs.
- **Dual Sensing Control:** Two Eco Thermo-Sensors monitor temperature changes in both compartments independently to maintain ideal conditions.

- **Energy Saving Design:** Controls chilled air delivery to minimize energy waste, contributing to high energy efficiency ratings.
- **Big, Moisture-Guard Vegetable Compartment:** Features a Moisture-Guard for optimal humidity, preserving freshness. Includes a double-deck storage option.
- **Touch Screen Controller:** Flat glass panel for easy setting adjustments and cleaning.
- **Tank Type Water Dispenser:** Provides clean, cold water by simply pouring purified water into the removable tank.
- **Tempered Glass Shelves:** Durable and easy-to-clean interior shelving.
- **LED Light:** Efficient and bright interior illumination.

## Setup and Installation

### Unpacking:

Carefully remove all packaging materials. Inspect the refrigerator for any shipping damage. Keep packaging materials until you are satisfied with the product.

### Placement:

- Place the refrigerator on a firm, level floor.
- Ensure adequate ventilation space around the unit (minimum 10 cm at the back, 5 cm on sides, and 30 cm at the top).
- Avoid direct sunlight or heat sources.
- Do not install in areas with high humidity.

### Power Connection:

Connect the power cord to a dedicated, grounded electrical outlet. Do not use extension cords or adapters. Allow the refrigerator to stand for at least 2-4 hours before plugging it in to allow refrigerants to settle.

## Operating Instructions

### Initial Operation:

After plugging in, the refrigerator will begin cooling. It may take several hours for the temperature to stabilize.

### Temperature Control:

Use the touch screen controller on the door to adjust temperature settings for both the refrigerator and freezer compartments. Refer to the display for current temperature readings and adjustment options.

Interior view of the Hitachi refrigerator, showing the spacious compartments, tempered glass shelves, and door bins. The Dual Fan Cooling system is visible at the top.

## Water Dispenser:

To use the water dispenser, fill the removable water tank located inside the refrigerator with clean, purified water. The refrigerator will cool the water for dispensing. Regularly clean the water tank.

## Ice Tray:

The movable twist ice tray allows for convenient ice production and storage. Fill the tray with water, allow it to freeze, then twist the knob to release ice into the collection bin.

Interior view of the Hitachi refrigerator, demonstrating its large capacity with various food items stored on shelves and in door bins, including the vegetable compartment.

## Maintenance and Care

### Cleaning the Interior:

- Unplug the refrigerator before cleaning.
- Wipe interior surfaces with a soft cloth dampened with a mild detergent solution.
- Remove and clean shelves, drawers, and door bins with warm soapy water. Rinse and dry thoroughly before replacing.
- Do not use abrasive cleaners or solvents.

### Cleaning the Exterior:

Wipe the exterior surfaces, including the glass doors and touch screen panel, with a soft, damp cloth. For stubborn marks, use a mild glass cleaner on the glass surfaces.

### Defrosting:

This refrigerator features an automatic defrost system (No Frost), eliminating the need for manual defrosting.

### Power Outage:

In case of a power outage, keep the refrigerator doors closed to maintain internal temperature for as long as possible.

## Troubleshooting

Before contacting service, please check the following common issues:

| Problem | Possible Cause | Solution |
|---|---|---|
| Refrigerator not cooling | Power cord unplugged; temperature setting too high; door not closed properly. | Check power connection; adjust temperature settings; ensure doors are fully closed. |
| Unusual noise | Refrigerator not level; items vibrating inside; normal operating sounds (e.g., refrigerant flow). | Adjust leveling feet; rearrange items; normal sounds are not a fault. |
| Water dispenser not working | Water tank empty or not properly installed. | Refill water tank; ensure tank is correctly seated. |
| Condensation on exterior | High humidity environment; door left open frequently. | Wipe dry; ensure doors are closed promptly; improve room ventilation. |

## Specifications

| Attribute | Detail |
|---|---|
| Brand Name | HITACHI |
| Model Info | RW760PUK7GBK |

| Attribute | Detail |
|---|---|
| Product Dimensions | 33.66 x 290.16 x 72.24 cm (D x W x H) |
| Item Weight | 99 kg |
| Capacity | 760 Liters (Gross) |
| Refrigerator Fresh Food Capacity | 396 Liters |
| Freezer Capacity | 144 Liters |
| Annual Energy Consumption | 492.75 Kilowatt Hours Per Year |
| Efficiency | 3 Star |
| Installation Type | Freestanding |
| Form Factor | French Door |
| Color | Glass Black |
| Voltage | 220-240 Volts |
| Wattage | 143 watts |
| Defrost Type | Automatic (No Frost) |
| Shelf Type | Glass |
| Special Features | LED Light, Nano Titanium, Fresh Select, Tempered Glass Shelves, Glass Doors, Super Clean Water Dispenser, Low Noise, Door Lock |

## Warranty and Support

This Hitachi refrigerator comes with the following manufacturer warranties:

- **10-Year Manufacturer Warranty** on the Inverter Compressor.
- **1-Year Manufacturer Warranty** on the entire refrigerator.

For warranty claims, technical support, or service inquiries, please contact your local authorized Hitachi service center or the retailer where the product was purchased. Please have your model number (RW760PUK7GBK) and proof of purchase ready.
