## Top Race 3-in-1 Construction Toys User Manual

Model: DIY100-200-300

### INTRODUCTION

The Top Race 3-in-1 Construction Toys set offers an engaging and educational play experience, allowing children to build and disassemble three different construction vehicle models: a dump truck, a cement mixer, and a crane truck. This set includes a battery-powered drill for easy assembly and a remote control for interactive play, fostering creativity, motor skills, and problem-solving abilities.

## SAFETY INFORMATION

Always supervise children during play. Keep small parts away from children under 3 years of age to prevent choking hazards. Do not mix old and new batteries. Do not mix alkaline, standard (carbon-zinc), or rechargeable (nickel-cadmium) batteries. Remove batteries if the toy is not used for an extended period.

## WHAT'S IN THE Box

Your Top Race 3-in-1 Construction Toys set includes:

- Main vehicle chassis
- Interchangeable parts for Dump Truck, Cement Mixer, and Crane Truck
- Battery-powered drill/remote control unit
- Manual screwdriver handle
- Various screws and connectors

# LEARN & PLAY

## TURN PLAYTIME INTO LEARNING!

**COORDINATION**  
IMPROVES MIND-BODY  
CONTROL

**MOTOR SKILLS**  
BUILDS HANDS-ON  
ABILITIES

**CREATIVITY**  
ENCOURAGES PROBLEM-  
SOLVING

## SETUP

### Battery Installation

The main vehicle chassis and the drill/remote control unit require batteries. Ensure batteries are inserted with correct polarity (+/-).

- **Vehicle Chassis:** Requires 2 AA batteries (not included). Locate the battery compartment on the underside of the chassis. Use a small screwdriver to open the compartment, insert the batteries, and secure the cover.
- **Drill/Remote Control Unit:** Requires batteries (typically 2 AA or AAA, not included). Locate the battery compartment, insert batteries, and secure the cover.

## PRODUCT DIMENSIONS

Image: The dump truck model, illustrating its dimensions and the separate remote control unit, which also functions as the drill.

### OPERATING INSTRUCTIONS

#### Assembly and Disassembly

The core feature of this toy is its ability to be assembled and disassembled. Use the included battery-powered drill or the manual screwdriver to attach and remove parts. The drill unit can be inserted into the vehicle chassis to power it for remote control, or used separately as a drill for assembly.

- To Assemble:** Align the desired vehicle parts (e.g., dump bed, cement mixer, crane arm) with the main chassis. Use the drill or manual screwdriver to secure the screws into the designated holes. Ensure all connections are firm.
- To Disassemble:** Use the drill or manual screwdriver in reverse mode (or unscrew manually) to remove the screws and detach the vehicle parts. This allows for easy transformation between the three models.
