1.1 Product Overview

Experience the blend of vintage charm and high-fidelity sound with the Muzen MW-2AI. This speaker is built with a durable zinc-aluminum alloy and features a high-tech paint coating, ensuring both aesthetic appeal and longevity. Its palm-sized frame makes it easy to carry, while its 3W amplifier and 70dB SNR deliver crisp, powerful audio.

3. Setup

3.1 Charging the Speaker

Before first use, fully charge your Muzen MW-2AI speaker. Connect the provided USB charging cable to the speaker's charging port and a compatible USB power source. A full charge takes approximately 3 hours and provides up to 7+ hours of continuous playback.

3.2 Bluetooth Pairing

1. Turn on the speaker by moving the power switch to the "ON" position.
2. The speaker will enter Bluetooth pairing mode automatically.
3. On your device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
4. Select "Muzen Button" from the list of devices.
5. Once connected, the speaker will indicate successful pairing, and it will automatically reconnect to the last-used device when powered on.

The speaker maintains a robust Bluetooth 4.2 connection within a 33-foot range.

Exquisite packaging

Small Button, with exquisite packaging, make the product more stand out

4. Operating Instructions

4.1 Controls Overview

The Muzen MW-2AI features intuitive, tactile controls for a classic user experience:

- **Rotary Knob:** Adjusts volume.
- **Lever Switch:** Toggles between OFF, Bluetooth (BT), AUX, and FM Radio modes.
- **Tuning Dial:** For FM radio mode, rotate to tune into stations.

Image: The MuZen MW-2AI speaker held in hand, highlighting its compact design and controls.

4.2 Mode Selection

Use the lever switch to select your desired audio source:

- **Bluetooth (BT):** For wireless connection to your smart devices.
- **AUX:** For wired connection using the provided AUX cable.
- **FM Radio:** To listen to FM radio broadcasts. Extend the included FM antenna for better reception.

The speaker's design allows for effortless one-palm control of volume and mode changes.

5. Maintenance

- **Cleaning:** Wipe the speaker with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.
- **Storage:** Store the speaker in a cool, dry place away from direct sunlight and extreme temperatures.
- **Water Resistance:** This product is NOT waterproof. Avoid exposure to water or high humidity.
- **Battery Care:** For optimal battery life, avoid fully discharging the battery frequently. Charge regularly.

6. Troubleshooting

Problem	Solution
Speaker does not turn on.	Ensure the battery is charged. Connect the speaker to a power source using the USB cable.
Cannot pair via Bluetooth.	Ensure the speaker is in Bluetooth pairing mode (lever switch set to BT). Make sure your device's Bluetooth is enabled and within 33 feet of the speaker. Forget "Muzen Button" from your device's Bluetooth list and try pairing again. Turn both devices off and on, then attempt to pair.
No sound or low volume.	Increase the volume on both the speaker and your connected device. Ensure the speaker is correctly paired via Bluetooth or connected via AUX. If using FM radio, extend the antenna and adjust the tuning dial.
Poor FM radio reception.	Extend the FM antenna fully and try repositioning the speaker for better signal.

7. Specifications

Feature	Detail
Brand	Muzen
Model Name	MW-P1I
Item Model Number	MW-2AI
Connectivity Technology	Bluetooth
Wireless Communication Technology	Bluetooth
Bluetooth Range	33 Feet
Speaker Maximum Output Power	3 Watts
