## WHAT'S IN THE BOX

- Lexon Mina Small Mushroom Lamp
- USB-C Charging Cable
- User Manual (this document)

## SETUP

---

### Initial Charging

Before first use, fully charge your Lexon Mina lamp. Connect the provided USB-C cable to the charging port located at the base of the lamp and plug the other end into a compatible USB power adapter (not included).

- A full charge takes approximately 2 hours.
- The charging indicator light (small LED next to the port) will illuminate during charging and turn off or change color when fully charged.

### Placement

Place the lamp on a stable, flat surface. Its compact and cordless design allows for flexible placement in various locations.

## OPERATING INSTRUCTIONS

---

The Lexon Mina lamp is controlled via a single button located at its base.

### Power On/Off

- To turn the lamp **On**, press the button once.
- To turn the lamp **Off**, press and hold the button for a few seconds until the light extinguishes.

### Changing Light Modes (Warm/Cold)

The lamp offers both warm and cold light options to suit your preference.

- While the lamp is on, short press the button repeatedly to cycle through the available light color temperatures (e.g., Warm White, Cool White).

### **Dimming (Memory Dimmer)**

The lamp features a memory dimmer function, allowing you to adjust the brightness and recall your last setting.

- While the lamp is on, press and hold the button to continuously adjust the brightness. Release the button when the desired brightness level is reached.
- The lamp will remember your last brightness setting when turned off and on again.

### **MAINTENANCE**

#### **Cleaning**

To clean the lamp, gently wipe its surface with a soft, dry or slightly damp cloth. Do not use abrasive cleaners or solvents.

## Battery Care

- To prolong battery life, avoid fully discharging the lamp frequently.
- Charge the lamp regularly, even if not in frequent use.
- Store the lamp in a cool, dry place when not in use for extended periods.

## Water Resistance

The Lexon Mina lamp is designed to be water resistant. However, it is not waterproof. Avoid submerging the lamp in water or exposing it to heavy rain.
