SETUP AND FIRST USE

1. Charging the Speaker

Before first use, fully charge your Muzen Mini Bluetooth Speaker. Connect the provided charging cable to the

speaker's charging port and a USB power source. The charging time is approximately 3 hours. A full charge provides up to 7+ hours of continuous playback.

2. Powering On/Off

Locate the power switch on the speaker. Slide the switch to the "ON" position to power on the device. To power off, slide the switch to the "OFF" position.

3. Bluetooth Pairing

1. Ensure the speaker is powered on and within 33 feet (10 meters) of your Bluetooth-enabled device (e.g., smartphone, tablet, laptop).
2. On your device, go to Bluetooth settings and enable Bluetooth.
3. Look for "Muzen Button" in the list of available devices and select it to pair.
4. Once paired, the speaker will confirm the connection, and it will automatically reconnect to this device in the future when in range.

OPERATING INSTRUCTIONS

Volume and Track Control

The Muzen Mini Bluetooth Speaker features intuitive controls:

- **Rotary Knob:** Use the large rotary knob to adjust the volume. Turn clockwise to increase volume, counter-clockwise to decrease.
- **Lever Switch:** The lever switch allows for track navigation. Push the lever forward for the next track and backward for the previous track.

Retro old-fashioned look

A classic look inspired by 1950s record players Quality design never fades

MAINTENANCE AND CARE

- Keep the speaker dry. Do not expose it to water or excessive moisture, as it is not waterproof.
- Clean the speaker with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.
- Store the speaker in a cool, dry place when not in use.
- Avoid dropping the speaker or subjecting it to strong impacts.

TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Speaker does not power on.	Low battery or power switch is off.	Charge the speaker fully. Ensure the power switch is in the "ON" position.
Cannot pair with Bluetooth device.	Speaker is not in pairing mode, device Bluetooth is off, or too far.	Ensure speaker is on. Turn off and on Bluetooth on your device. Move device closer to speaker (within 33 feet).
No sound or low volume.	Volume too low on speaker or device, or not properly connected.	Increase volume using the rotary knob on the speaker and on your connected device. Re-pair the Bluetooth connection.
