Beliani 147762

Beliani Coffee Table Model 147762 Instruction Manual

Glass Top, Silver Metal Legs

INTRODUCTION

Thank you for choosing the Beliani Coffee Table Model 147762. This manual provides essential information for the safe assembly, proper use, and maintenance of your new coffee table. Please read these instructions carefully before beginning assembly and retain them for future reference.

SAFETY INFORMATION

- Always follow assembly instructions carefully to prevent injury.
- Do not exceed the maximum weight recommendation of 20 kg (44 lbs) on the tabletop.
- Keep small parts away from children during assembly.
- Ensure all connections are securely tightened before use.
- Avoid placing hot items directly on the glass surface without protection.

PACKAGE CONTENTS

Before assembly, verify that all components are present. If any parts are missing or damaged, please contact Beliani customer support.

- Tempered Glass Top (Oval)
- Metal Leg Frames (2 units)
- Mounting Hardware (screws, washers, suction cups/pads for glass)
- Assembly Tool (e.g., Allen key)

SETUP AND ASSEMBLY

Assembly is designed to be straightforward. It is recommended to assemble the table on a soft, clean surface to prevent scratches.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a protective surface.
2. **Attach Leg Frames:** Connect the two metal leg frames using the provided hardware. Ensure all screws are finger-tightened initially.
3. **Secure Glass Top Supports:** Attach any necessary supports or pads to the top of the leg frames where the glass will rest. These often include suction cups or rubber pads to prevent the glass from sliding.
4. **Place Glass Top:** Carefully place the tempered glass top onto the assembled leg frames, aligning it with the supports. Ensure it is centered and stable.
5. **Final Tightening:** Once the glass top is in place and stable, fully tighten all screws on the leg frames. Do not overtighten.

OPERATING INSTRUCTIONS (USAGE)

The Beliani Coffee Table Model 147762 is designed for serving food and beverages in a modern or contemporary living room setting. It can also be used for displaying decorative items.

- **Weight Capacity:** Do not place items exceeding 20 kg (44 lbs) on the tabletop. Overloading can cause damage to the table or lead to injury.
- **Surface Protection:** Use coasters under drinks and placemats under hot dishes to protect the glass surface from heat marks and scratches.
- **Placement:** Position the table on a flat, stable surface to prevent wobbling.

MAINTENANCE AND CARE

Proper care will ensure the longevity and appearance of your coffee table.

- **Glass Top Care:**

- Use a mild glass cleaner or a glass conditioner with a soft cloth.
- Dry the glass immediately after cleaning to prevent water spots.
- Avoid abrasive cleaners or scouring pads, as these can scratch the glass.

- **Metal Frame Care:**

- For chrome or polished metal elements, use a suitable metal polishing agent.
- Clean with a mild detergent and a soft cloth, then dry thoroughly.
- Avoid abrasive cleaners, as they can damage the finish.
- Regularly polish chrome and copper elements to protect the surface.

- **General:** Periodically check and tighten all screws and connections to maintain stability.

TROUBLESHOOTING

If you encounter any issues with your Beliani Coffee Table, refer to the following common solutions:

Problem	Possible Cause	Solution
Table is wobbly	Loose connections; uneven floor.	Tighten all assembly screws. Move the table to a level surface or use furniture pads to stabilize.
Glass top slides	Missing or worn suction cups/pads.	Ensure all glass support pads are in place and in good condition. Contact support for replacements if needed.
Scratches on glass	Abrasive cleaning; sharp objects.	Use only soft cloths and mild glass cleaner. Avoid dragging objects across the surface. Minor scratches may be reduced with glass polishing compounds.

SPECIFICATIONS
