delinuo T9

delinuo T9 Bluetooth Earbuds User Manual

Model: T9

1. Introduction

Thank you for choosing the delinuo T9 Bluetooth Earbuds. These wireless earbuds are designed to provide a high-quality audio experience with advanced features such as Bluetooth 5.0 connectivity, a 6000 mAh charging case, IPX6 water resistance, and intuitive touch controls. This manual will guide you through the setup, operation, and maintenance of your new earbuds.

2. Package Contents

Please check the package for the following items:

- delinuo Bluetooth Wireless Headphones (Earbuds)
- Charging Box (Charging Case)
- USB Cable (for charging the case)
- Earplugs (three different sizes: S, M, L)
- User Manual (this document)

3. Product Overview

Familiarize yourself with the components of your delinuo T9 earbuds and charging case.

Image: Close-up of the delinuo T9 charging case highlighting its digital LED display for battery status, intelligent double touch control area, and Type-C quick charge port. The image also shows the sliding cover design.

Key Features:

- **Digital LED Display:** Clearly indicates the remaining battery capacity of the charging station.
- **Sliding Closure Design:** Provides a simple and practical mechanism for accessing the earbuds.
- **6000 mAh Charging Case:** Large capacity case that can recharge the earbuds multiple times and also function as a power bank for other devices.
- **IPX6 Waterproof:** Protects earbuds from sweat, water, and rain, suitable for sports and outdoor activities.
- **Bluetooth 5.0:** Ensures stable connection, low power consumption, and compatibility with 99% of Bluetooth devices.
- **Touch Controls:** Intuitive touch-sensitive areas on the earbuds for managing playback, calls, and volume.

- **CVC 8.0 Noise Reduction:** Intelligently filters ambient noise for clearer calls.
- **Dual Microphones:** Built-in sensitive microphones in both earbuds for superb call audio quality.

4. Setup and First Use

4.1 Charging the Case and Earbuds

Before first use, fully charge the charging case and earbuds.

1. Connect the provided USB cable to the charging port on the case and to a USB power source (e.g., computer, wall adapter).
2. The digital LED display on the case will show the charging progress. Once fully charged, it will display "100".
3. Place the earbuds into the charging slots inside the case. They will automatically begin charging. The earbuds' indicator lights will show charging status.

Image: The delinuo T9 charging case connected via USB cable to a smartphone, demonstrating its function as a 6000 mAh power bank. The earbuds are shown inside the case, and one earbud is next to the phone.

Note: The 6000 mAh charging case can charge the headphones approximately 36 times. After a full charge, the headphones can play music for about 3.5 hours. The charging case can also be used as an emergency power bank for your mobile phone.

4.2 Pairing with Your Device

The delinuo T9 earbuds feature an intelligent identification system for automatic power-on and pairing.

1. Open the charging case and take out both earbuds. They will automatically power on and enter pairing mode.
2. On your device (smartphone, tablet, etc.), go to the Bluetooth settings.
3. Search for available Bluetooth devices and select "T9" from the list.
4. Once connected, you will hear a confirmation sound, and the earbuds will be ready for use.

Image: A smartphone screen displaying Bluetooth settings with "T9" listed as a connected device, illustrating the automatic power-on and pairing process when earbuds are taken out of the case.

Tip: To power off the earbuds, simply place them back into the charging case. They will automatically disconnect and begin charging.

Single/Mono Mode: The left or right earbud can be used separately to connect to different mobile phones, allowing for independent use or sharing.

Image: Two individuals sharing the earbuds, with each person wearing one earbud, demonstrating the single/mono mode functionality where earbuds can connect to different devices or be used independently.

5. Operating Instructions

The delinuo T9 earbuds feature intuitive touch controls for various functions.

5.1 Music Playback

- **Play/Pause:** Single tap on either earbud.
- **Next Song:** Double tap on the right earbud.
- **Previous Song:** Double tap on the left earbud.
- **Volume Up:** Triple tap on the right earbud.
- **Volume Down:** Triple tap on the left earbud.

5.2 Call Management

- **Answer/End Call:** Single tap on either earbud.
- **Reject Call:** Press and hold either earbud for 2 seconds.
- **Activate Voice Assistant (Siri/Google Assistant):** Press and hold either earbud for 3 seconds.

Image: Three scenarios depicting individuals using the delinuo T9 earbuds for calls and audio during commuting, working, and leisure activities, highlighting the dual microphone and superb audio quality.

6. Maintenance and Care

To ensure the longevity and optimal performance of your delinuo T9 earbuds, follow these maintenance guidelines:

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use harsh chemicals or abrasive materials.

- **Ear Tips:** Remove the silicone ear tips periodically and clean them with water and mild soap. Ensure they are completely dry before reattaching.
- **Charging Contacts:** Gently clean the charging contacts on both the earbuds and inside the case with a cotton swab to ensure proper connection.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage.
- **Water Exposure:** While IPX6 rated, avoid submerging the earbuds in water. Dry them thoroughly if they get wet from sweat or rain.
- **Temperature:** Avoid exposing the earbuds and case to extreme temperatures (hot or cold) or direct sunlight for extended periods.

7. Troubleshooting

If you encounter any issues with your delinuo T9 earbuds, please refer to the following common solutions:

Problem	Possible Cause	Solution
Earbuds not powering on.	Low battery.	Place earbuds in the charging case and ensure the case is charged.
Earbuds not pairing.	Not in pairing mode; previously paired with another device; Bluetooth off on device.	Ensure earbuds are taken out of the case to enter pairing mode. Turn off Bluetooth on other nearby devices. Restart your device's Bluetooth.
Only one earbud working.	One earbud not connected; low battery on one earbud.	Place both earbuds back into the case, close it, then take them out again. Ensure both are charged.
Poor sound quality/intermittent connection.	Too far from device; interference; low battery.	Move closer to your device (within 10 meters). Avoid strong electromagnetic interference. Charge earbuds and case.
Touch controls not responding.	Earbuds are wet; temporary software glitch.	Ensure earbuds are dry. Place earbuds back in the case, close, then reopen to reset.

If the problem persists after trying these solutions, please contact customer support.

8. Specifications

Model Name:	T9
Brand:	delinuo
Connectivity Technology:	Bluetooth 5.0
Ear Placement:	In Ear
Form Factor:	In Ear

Noise Control:	Sound Isolation (CVC 8.0 Noise Reduction)
Charging Case Battery:	6000 mAh
Earbud Playtime (single charge):	Approx. 3.5 hours
Water Resistance:	IPX6
Package Dimensions:	17 x 9.9 x 3.9 cm
Item Weight:	172 g
