8. CLEANING AND MAINTENANCE

- Clean the keyboard with a soft, damp cloth dampened with water or alcohol.
- Keep the keyboard away from sharp objects.
- Do not place heavy objects on the keyboard.
- Do not microwave the keyboard.
- Do not force or distort keyboard.
- Keep away from oil, chemicals, or any other organic liquid.

9. ENVIRONMENTALLY FRIENDLY DISPOSAL

- Pry up plastic top and remove it completely. This action destroys the keyboard.
- Turn top over and remove tape from battery.
- Separate battery from circuit board.
- Dispose of battery according to local laws. Recycle remaining keyboard parts.

10. TROUBLESHOOTING

- **Keyboard not connecting:** Ensure the keyboard is charged and powered on. Make sure Bluetooth is enabled on your device and the keyboard is in pairing mode (Fn+C). Try resetting the keyboard by turning it off and on, then re-pairing.
- **Keys not responding:** Check battery level. Ensure the keyboard is properly paired. Try restarting both the keyboard and your device.
- **Charging issues:** Use the provided USB-C cable. Ensure the power source is working. Check the charging indicator light for status.
- **Unstable connection:** Ensure your device is within the 10-meter operating range. Avoid interference from other wireless devices.

11. WARRANTY AND SUPPORT

For warranty information and technical support, please refer to the documentation included with your product or contact Cellet customer service directly. Keep your proof of purchase for any warranty claims.
