# Lemax Mrs. Claus Cookies Figurine (Model 92759) - Instruction Manual

Official instructions for your Lemax collectible figurine.

## 1. INTRODUCTION

Thank you for choosing the Lemax Mrs. Claus Cookies Figurine, Model 92759. This polyresin figurine is designed to enhance your holiday village or festive display. This manual provides essential information for the proper setup, care, and maintenance of your collectible.

## 2. PRODUCT OVERVIEW

The Mrs. Claus Cookies figurine depicts Mrs. Claus holding a tray of freshly baked cookies. It is crafted from durable polyresin with intricate details.

**Figure 1:** Front view of the Lemax Mrs. Claus Cookies Figurine. Mrs. Claus is depicted in a red dress with white trim, holding a silver tray of cookies.

- **Material:** Polyresin
- **Approximate Dimensions (H x W x D):** 2.68 x 1.57 x 1.22 inches (6.8 x 4 x 3.1 cm)
- **Model Number:** 92759

- **Year Released:** 2019

### 3. SETUP AND PLACEMENT

1. **Unpacking:** Carefully remove the figurine from its packaging. Retain the original packaging for future storage.
2. **Surface Preparation:** Place the figurine on a flat, stable surface to prevent accidental falls.
3. **Location:** Choose a location away from direct sunlight, extreme temperatures, and high humidity to preserve the figurine's colors and material integrity. Avoid placing near heat sources or in areas prone to vibrations.

Figure 2: Example of a Lemax Christmas village display, illustrating suitable placement for figurines.

### 4. DISPLAYING YOUR FIGURINE

The Mrs. Claus Cookies figurine is a static decorative item. No assembly or power source is required. Simply place it in your desired location as part of your festive decor.

- Ensure the figurine is not easily knocked over, especially if placed in high-traffic areas.
- Consider pairing with other Lemax village pieces for a cohesive display.

### 5. MAINTENANCE AND CARE

- **Cleaning:** Dust the figurine regularly with a soft, dry cloth. For more stubborn dirt, lightly dampen the cloth with water and gently wipe the surface. Avoid abrasive cleaners or harsh chemicals, as these can damage the paint and finish.
- **Storage:** When not in use, store the figurine in its original packaging or a protective container in a cool, dry place. This helps prevent dust accumulation and potential damage.
- **Handling:** Always handle the figurine by its base to avoid damaging delicate parts.

### 6. TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Figurine appears unstable.	Uneven surface or improper placement.	Ensure the figurine is on a flat, level surface. Adjust its position until stable.
Dust or dirt accumulation.	Lack of regular cleaning.	Wipe gently with a soft, dry or slightly damp cloth.
Fading colors.	Prolonged exposure to direct sunlight.	Relocate the figurine to an area away from direct sunlight.
