# Amazon Basics Closet Organizer Drawers

Model: B07SFZLWHC

Brand: Amazon Basics

## INTRODUCTION

Thank you for choosing the Amazon Basics Closet Organizer Drawers. This manual provides essential information for the safe and efficient assembly, operation, maintenance, and troubleshooting of your new storage unit. Please read these instructions carefully before beginning assembly and retain them for future reference.

This versatile 5-drawer storage organizer is designed to provide ample space for clothing, accessories, and other essentials, making it an ideal solution for closet organization. Constructed from high-quality materials, it offers durable and sturdy support for your stored items, while its lightweight and portable design allows for flexible placement within your living space.

## SAFETY INFORMATION

- **Adult Assembly Required:** This product requires adult assembly. Keep small parts and packaging materials away from children and pets.
- **Weight Capacity:** Do not overload the drawers or the top surface. Exceeding the recommended weight capacity may cause the unit to tip or collapse, leading to injury or damage.
- **Stability:** Ensure the unit is placed on a flat, level surface. Adjustable-height plastic feet are provided to prevent wobbling and protect your floors. Adjust them as needed for maximum stability.
- **Tipping Hazard:** To prevent tipping, do not allow children to climb or hang on the unit. Consider securing the unit to a wall if it will be placed in an area where children are present.
- **Proper Use:** Use this product only for its intended purpose as a storage organizer.

## PACKAGE CONTENTS

Before assembly, verify that all components are present and undamaged. If any parts are missing or damaged, do not proceed with assembly. Contact Amazon Basics customer support for assistance.

- Metal Frame Components

- Fabric Drawers (5 units: 2 large, 3 small)

## SETUP AND ASSEMBLY

Follow these steps carefully to assemble your closet organizer. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out. Check against the package contents list.
2. **Assemble the Metal Frame:** Connect the metal frame components according to the included diagram. Ensure all screws are tightened securely but do not overtighten.
3. **Attach the Top Board:** Secure the top board to the assembled metal frame using the provided hardware.
4. **Install Adjustable Feet:** Screw the adjustable plastic feet into the bottom of the frame. Adjust them to ensure the unit is level and stable on your floor.

5. **Insert Fabric Drawers:** Unfold the fabric drawers and insert the bottom support panels. Slide the assembled drawers into their respective slots within the metal frame.

## OPERATING INSTRUCTIONS

The Amazon Basics Closet Organizer is designed for straightforward use.

- **Drawer Use:** Gently pull the fabric drawers out to access contents and push them back in to close. Avoid forcing drawers.
- **Storage Capacity:** The unit features two large fabric drawers (14.96"W x 11.22"D x 12.36"H) and three smaller fabric drawers (14.96"W x 11.22"D x 8.3"H). Utilize these varying sizes to organize different items efficiently.
- **Top Surface:** The sturdy top board can be used for additional storage or display of lightweight items. Do not place excessively heavy objects on the top surface.

## MAINTENANCE AND CARE

---

To ensure the longevity and appearance of your closet organizer, follow these care instructions:

- **Cleaning the Frame:** Wipe the metal frame and top board with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals.
- **Cleaning the Fabric Drawers:** Spot clean the fabric drawers with a mild detergent and a damp cloth. Do not machine wash or tumble dry the fabric drawers. Allow them to air dry completely before reinserting.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause the fabric to fade.

## TROUBLESHOOTING

---

If you encounter any issues with your closet organizer, refer to the table below for common problems and solutions.

Problem	Possible Cause	Solution
Unit is wobbly or unstable.	Uneven floor; loose connections.	Adjust the leveling feet at the bottom of the frame. Ensure all assembly screws are tightened.
Drawers do not slide smoothly.	Drawer is overloaded; fabric is caught.	Reduce the weight in the drawer. Check for any fabric folds or obstructions preventing smooth movement.
Missing parts after unpacking.	Packaging error.	Do not proceed with assembly. Contact Amazon Basics customer support immediately.
