## MAINTENANCE

The Kidzlane Bubbles Solution Refill requires no specific maintenance. To ensure the longevity and quality of the solution, always replace the cap tightly after each use and store the bottle in a cool, dry place away from direct sunlight.

## TROUBLESHOOTING

If you encounter issues while using the bubble solution, consider the following:

- **Few or No Bubbles:** Ensure your bubble machine or wand is clean and free from obstructions. Check that the solution level is adequate for the device.
- **Bubbles Pop Quickly:** Environmental factors such as wind, humidity, and dust can affect bubble stability. Try using the solution in a calmer environment.
- **Solution Residue:** Some bubble solutions may leave a slight residue. This can typically be wiped away with a damp cloth. Avoid spilling large amounts of solution on surfaces.
