PRODUCT FEATURES

- **Expandable Design:** The carrier features an expandable back section (13.4" L x 24.4" W x 17.3" H when expanded) to provide additional space and airflow for your pet, reducing anxiety during travel.
- **Ventilation and Visibility:** Equipped with a 3-panel acrylic board for excellent light transmission and visibility, along with 4 ventilation holes and breathable mesh for optimal airflow.
- **Ergonomic Comfort:** Designed with widened and padded adjustable shoulder straps, and adjustable chest and waist buckles to distribute weight, reduce load, and maintain stability.
- **Durable and Safe Materials:** Constructed from high-quality Oxford Cloth, which is waterproof, anti-scratch, and non-irritating. Features lock-type zippers to prevent accidental opening and a built-in retractable safety rope to secure your pet.
- **Convenient Storage:** Includes multiple pockets on both sides for storing essentials such as food, water bottles, waste bags, and personal items.
- **Comfortable Pet Cushion:** A removable and washable pet cushion is included, featuring an upgraded honeycomb board for stable support without collapsing.

SIZING AND FIT GUIDE

To ensure the correct fit and comfort for your pet, it is crucial to measure your pet's sitting height (from front legs to the top of the head) before using the carrier. Refer to the guidelines below:

Size	Item Length (in)	Item Width (in)	Item Height (in)	Suitable For
L	13.4	10.6	17.4	Cats < 15.4 lbs; Dogs < 13 lbs (sitting height ≤ 15.6")
XL	15.7	13	19.3	Cats 15.4-24 lbs; Dogs 13-22 lbs (sitting height 15.6"-17.6")

SETUP AND ASSEMBLY

1. **Unpack the Carrier:** Carefully remove the carrier and all components from its packaging.
2. **Prepare the Base:** Insert the provided detachable double-sided mat into the bottom of the carrier. Ensure it lies flat and provides a stable surface for your pet.
3. **Expand the Carrier (Optional):** If desired, unzip the expandable mesh section at the back of the carrier to provide additional space for your pet. Ensure the mesh walls are fully extended and stable.
4. **Remove Protective Film:** If your carrier has an acrylic window, gently peel off any protective film from both sides of the window for clear visibility.

OPERATING INSTRUCTIONS

- Introducing Your Pet:** Open one of the multiple entrances (top or side) and gently encourage your pet to enter the carrier. Allow them to explore and get comfortable.
- Securing Your Pet:** Once your pet is inside, attach their harness or collar to the built-in retractable safety rope to prevent them from escaping. Close and secure all zippers using the lock-type zipper design.
- Wearing the Backpack:** Adjust the padded shoulder straps to a comfortable length. Fasten the chest and waist buckles to distribute weight evenly and stabilize the carrier on your back.
- Using Storage Pockets:** Utilize the side pockets for convenient storage of pet essentials or personal items.

CARE AND MAINTENANCE

- **Cleaning:** The carrier cannot be machine washed. Only scrub the exterior and interior surfaces with a damp cloth and mild detergent.
- **Mat Cleaning:** The detachable double-sided mat can be removed and hand-washed or spot cleaned as needed. Allow to air dry completely before reinserting.
- **Odor Removal:** A new pet carrier backpack may have a slight odor. Wipe it clean or place it in an outdoor ventilated area for several hours before first use to dissipate any smells.
- **Storage:** When not in use, the carrier can be folded flat for compact storage.

SAFETY INFORMATION

- Always ensure your pet is securely attached to the internal safety rope when inside the carrier.
- Regularly inspect the carrier for any signs of wear or damage, especially zippers and mesh panels. Discontinue use if damage is found.
- Do not leave your pet unattended in the carrier for extended periods, especially in extreme temperatures.
- **Airline Travel:** Each airline has specific requirements for pet carriers. It is essential to check with your chosen airline regarding their current regulations before traveling.
