OPERATING INSTRUCTIONS

The Yaheetech Bathroom Floor Storage Cabinet is designed for easy access and organization. It features a top drawer and a lower cabinet with a shutter door.

- **Using the Drawer:** The top drawer is ideal for storing smaller items such as toothbrushes, toothpaste, combs, or other personal care products. Simply pull the metal knob to open and push to close.
- **Using the Cabinet:** The lower cabinet, accessed via the shutter door, provides larger storage space. It includes an internal shelf to help classify and organize items like towels, cleaning supplies, or larger bottles. The magnetic self-locking device ensures the door stays securely closed.

MAINTENANCE

To ensure the longevity and appearance of your Yaheetech Bathroom Floor Storage Cabinet, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the cabinet surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Moisture Protection:** While the cabinet has a waterproof finish, it is recommended to wipe away any standing water or excessive moisture promptly to prevent long-term damage.
- **Hardware Check:** Periodically check all screws and fittings to ensure they are tight. Tighten if necessary to maintain stability.

TROUBLESHOOTING

If you encounter any issues with your Yaheetech Bathroom Floor Storage Cabinet, please refer to the following common solutions:

- **Wobbly Cabinet:** Ensure all assembly screws are securely tightened. Check that the cabinet is placed on a flat, even surface.
- **Drawer/Door Sticking:** Verify that the drawer slides and door hinges are free of obstructions and are properly aligned. A small amount of silicone spray can improve smoothness if needed.
- **Missing Parts:** If any parts were missing upon delivery, please contact Yaheetech customer support immediately with your purchase details.
