EGLO 203775

EGLO Trago 9-S Magnetic Trim Instruction Manual

Model: 203775

1. Introduction

This manual provides instructions for the installation and care of your EGLO Trago 9-S Magnetic Trim. This accessory is designed to enhance the appearance of your compatible Trago 9-S light fixture with a matte black finish. Its magnetic attachment system allows for easy installation without the need for tools.

2. Safety Information

Please read and understand all instructions before installation. While this product is a decorative trim and does not involve electrical wiring, it is intended for use with an electrical fixture. Ensure the Trago 9-S light fixture is powered off and cool to the touch before handling or installing the trim. Do not attempt to modify the trim or the light fixture.

3. Package Contents

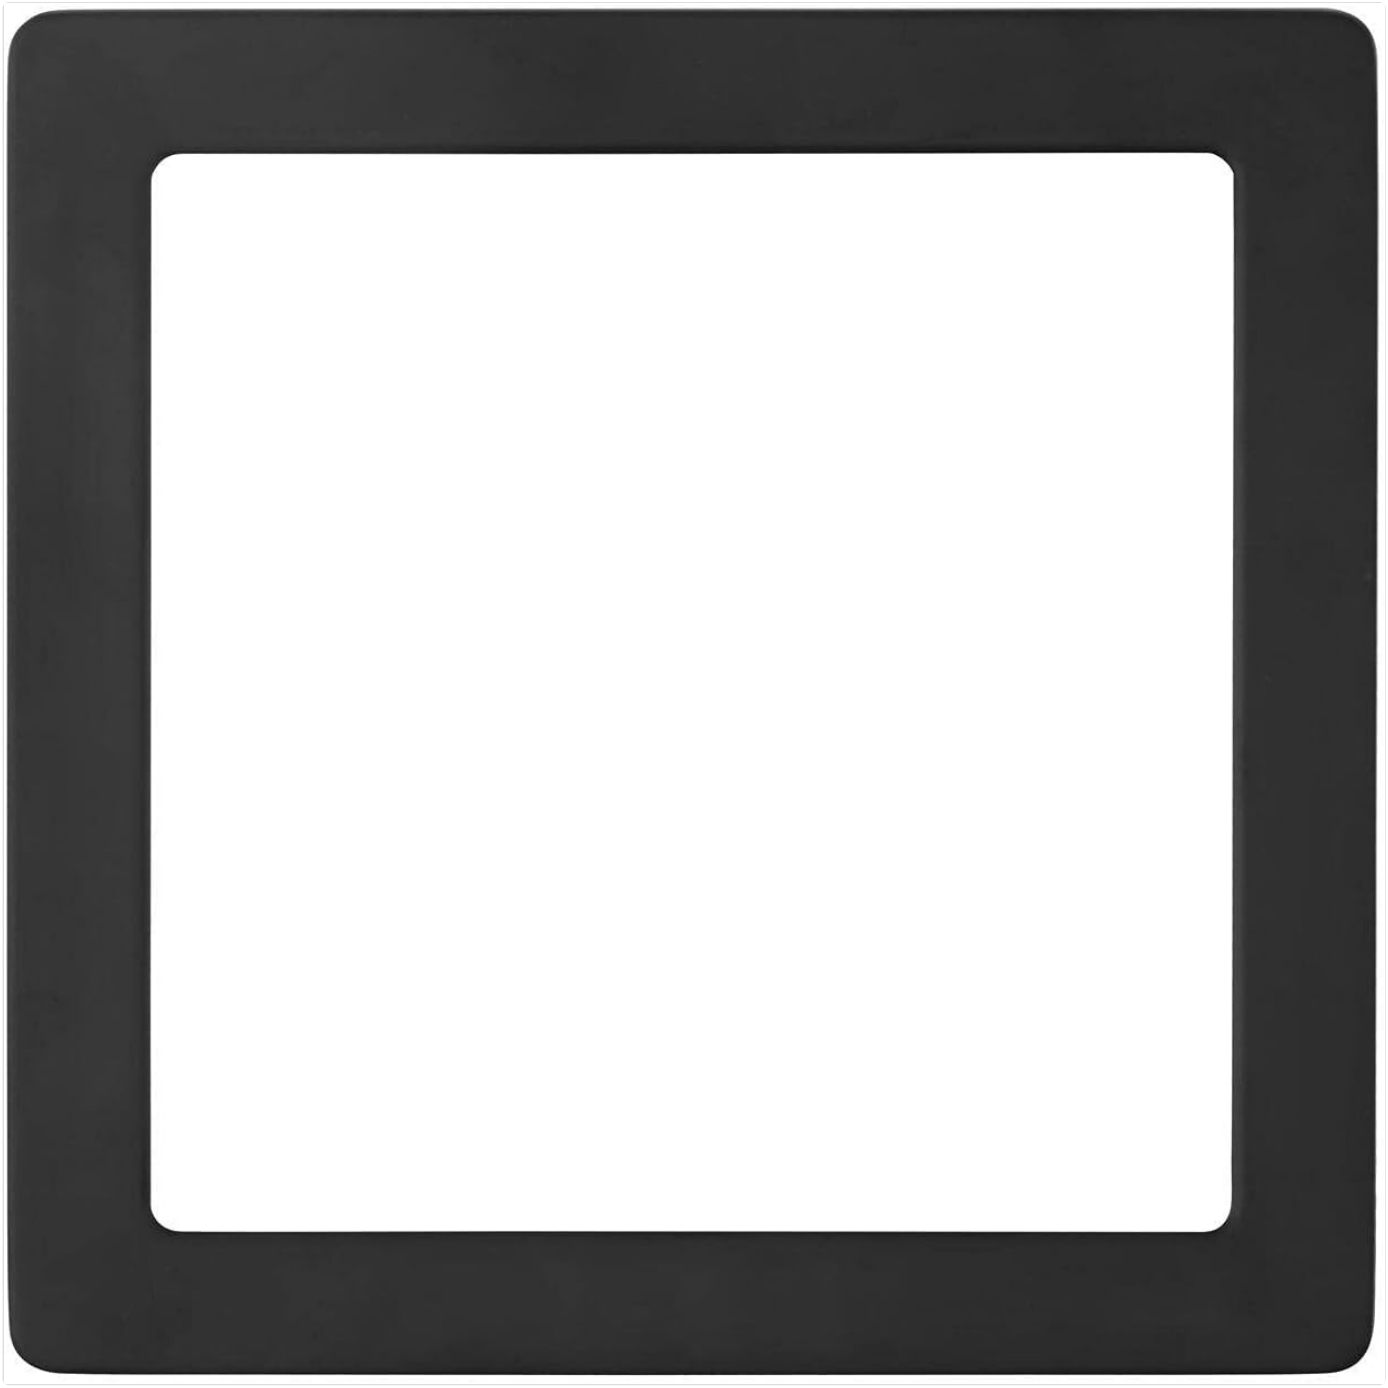

- 1 x EGLO Trago 9-S Magnetic Trim (Matte Black)

4. Setup and Installation

The EGLO Trago 9-S Magnetic Trim is designed for quick and easy installation. No tools are required.

1. **Ensure Power is Off:** Before beginning, confirm that the power supply to your Trago 9-S light fixture is turned off at the circuit breaker.
2. **Prepare the Fixture:** Ensure the Trago 9-S light fixture is clean and free of any debris where the trim will be attached.
3. **Position the Trim:** Carefully align the magnetic trim with the Trago 9-S light fixture. The trim is designed to fit precisely over the existing fixture.
4. **Attach Magnetically:** Gently bring the trim closer to the fixture. The integrated magnets will securely attach the trim to the fixture. Adjust as necessary to ensure a flush and even fit.

Once attached, the trim will hold firmly in place, instantly changing the aesthetic of your light fixture.

This image displays the EGLO Trago 9-S Magnetic Trim, a square-shaped accessory with a matte black finish, designed to magnetically attach to compatible light fixtures.

5. Maintenance

To maintain the appearance of your EGLO Trago 9-S Magnetic Trim, follow these simple cleaning instructions:

- **Cleaning:** Use a soft, dry cloth to gently wipe the surface of the trim.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or polishes, as these can damage the matte black finish.

6. Troubleshooting

If you encounter any issues with your magnetic trim, consider the following:

- **Trim Does Not Attach Securely:** Ensure the Trago 9-S light fixture is the correct model for this trim. Check for any obstructions or debris between the trim and the fixture that might prevent proper magnetic contact.

- **Trim Appears Uneven:** Gently adjust the trim's position on the fixture until it sits flush and evenly.
