Flow Amsterdam Robin Fox Night Light User Manual

Brand: Flow Amsterdam | **Model:** FLOW-NIGHT_1_1485027

1. INTRODUCTION

This manual provides comprehensive instructions for the Flow Amsterdam Robin Fox Night Light. Designed to offer a comforting and adjustable light source for children's rooms, this device features tap control for color changes and is rechargeable via Micro USB. Please read this manual carefully before use to ensure proper operation and safety.

2. SAFETY INSTRUCTIONS

To prevent injury or damage to the product, observe the following safety precautions:

- Keep the night light away from water and moisture.
- Do not attempt to disassemble, repair, or modify the device.
- Use only the provided Micro USB cable for charging.
- This product is not a toy. Adult supervision is recommended for young children.
- Avoid dropping the device or subjecting it to strong impacts.
- Ensure the night light is placed on a stable, flat surface.

3. PACKAGE CONTENTS

Verify that all items are present in the package:

- 1 x Flow Amsterdam Robin Fox Night Light
- 1 x Micro USB Charging Cable

4. SETUP

1. **Initial Charge:** Before first use, fully charge the night light using the provided Micro USB cable. Connect the cable to the charging port on the device and to a standard USB power adapter (not included). A full charge takes approximately 2 hours.
2. **Placement:** Place the Robin Fox Night Light on a stable surface in the child's room, away from direct sunlight or heat sources.

Image 1: Front view of the Flow Amsterdam Robin Fox Night Light. The night light is shaped like an orange fox with white accents on its belly, snout, and paws, featuring small black eyes and nose.

5. OPERATING INSTRUCTIONS

The Robin Fox Night Light features intuitive tap control for various light modes.

- 1. Power On/Off:** Locate the power button (usually on the base). Press it once to turn the night light on. Press it again to turn it off.
- 2. Changing Light Modes:** Once the night light is on, gently tap the device to cycle through the available light modes:
 - **Soft White Light:** Provides a gentle, warm glow.
 - **Strong White Light:** A brighter white illumination.
 - **Red Light:** A calming red hue.
 - **Yellow Light:** A soft yellow glow.
 - **Green Light:** A soothing green light.
 - **Blue Light:** A tranquil blue illumination.

- **Multicolor Mode:** Cycles through a range of colors automatically.

3. **Automatic Shut-off:** The night light is designed to automatically turn off after approximately 15 minutes to conserve battery life and promote deeper sleep.

6. CHARGING

The Robin Fox Night Light is equipped with a rechargeable battery.

- Connect the Micro USB cable to the charging port on the night light and to a compatible USB power source.
- A full charge typically takes 2 hours.
- Once fully charged, the night light provides an operating time of 10 to 20 hours, depending on the selected light mode.
- It is recommended to charge the device when the light appears dim or stops responding.

7. MAINTENANCE

To keep your night light in optimal condition:

- **Cleaning:** Wipe the surface of the night light with a soft, slightly damp cloth. Do not use abrasive cleaners or immerse the device in water.
- **Storage:** When not in use for extended periods, store the night light in a cool, dry place, away from direct sunlight.

8. TROUBLESHOOTING

Problem	Possible Cause	Solution
Night light does not turn on.	Battery is depleted.	Charge the night light fully using the Micro USB cable.
Light is dim or flickers.	Low battery.	Recharge the device.
Tap control is unresponsive.	Device may be off or battery low.	Ensure the device is powered on and fully charged. Tap gently but firmly.
Automatic shut-off occurs too soon.	This is a designed feature.	The night light is designed to turn off after 15 minutes. To reactivate, simply tap it again.
