Cadet C70085

Cadet Bully Sticks Premium Dog Chews User Manual - 12 Ounce (Small Dogs)

1. PRODUCT OVERVIEW

Cadet Bully Sticks are all-natural dog chews made from 100% beef pizzle. This product is designed to provide a long-lasting, high-protein, and low-fat chewing experience for dogs, particularly small breeds. These chews are grain-free and rawhide-free, focusing on a single-ingredient formula.

2. KEY FEATURES

- **Single Ingredient:** Made exclusively from 100% beef pizzle.
- **Long-Lasting:** Designed to keep dogs engaged and satisfy their natural chewing instincts.
- **High Protein, Low Fat:** These chews are high in protein and low in fat, with no artificial colors, flavors, or fillers.
- **Dental Health Support:** Chewing action helps clean teeth and gums.
- **Highly Digestible:** Rawhide-free formula for easy and safe digestion.
- **Quality Assurance:** Undergo a rigorous inspection process in the USA to ensure high standards.
- **Pack Size:** This specific product contains 12 ounces of bully sticks, suitable for small dogs.

4. USAGE DIRECTIONS

1. This product is intended for intermittent or supplemental feeding only.
2. Supervise your pet while they are chewing the bully stick.
3. Ensure your dog has access to plenty of fresh water at all times.
4. Recommended for adult dogs weighing over 5 lbs.

5. Supervise the use of all edible chews to prevent your dog from biting off pieces too large to swallow, which could pose a choking hazard.
