# SONGMICS Storage Cubes Instruction Manual

Model: VA-ROB26LG

## 1. INTRODUCTION

Thank you for choosing SONGMICS Storage Cubes. This manual provides essential information for the proper setup, usage, and maintenance of your new storage bins. These durable and versatile non-woven fabric bins are designed to help organize various items in your home or office, fitting seamlessly into cube storage units.

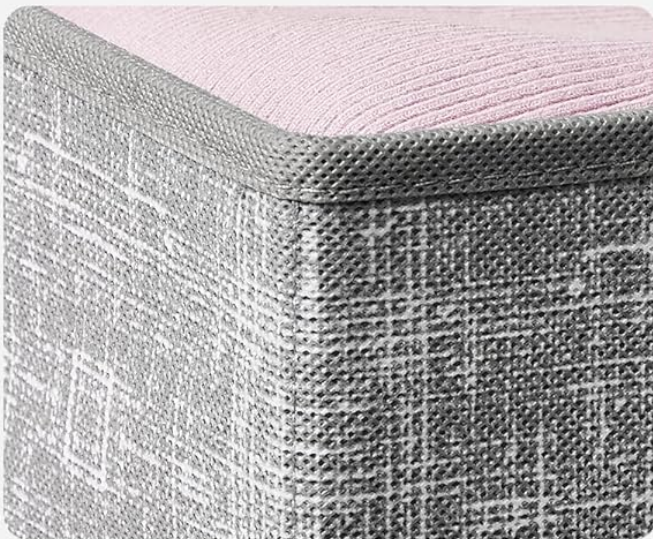

## 2. PRODUCT FEATURES

---

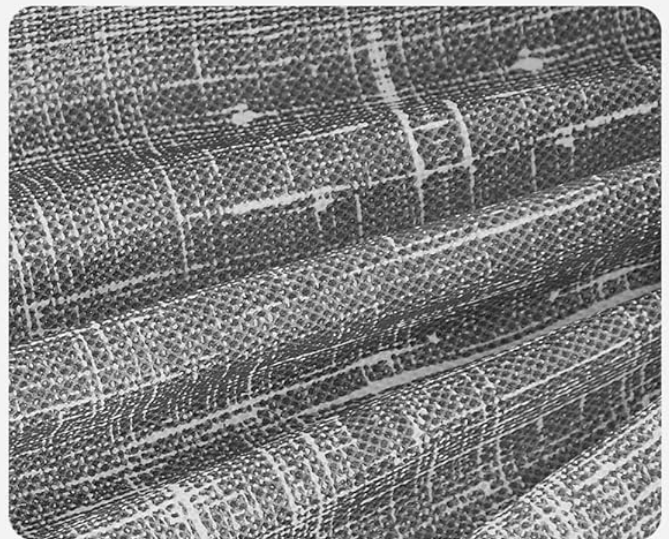

- **Durable Construction:** Each cube is made with 80 g/m<sup>2</sup> non-woven fabric and thick cardboard, providing a rigid and stable structure capable of holding up to 11 lb (5 kg).
- **Convenient Handles:** Equipped with double fabric handles for easy pulling and carrying.
- **Foldable Design:** Cubes can be easily folded flat for compact storage when not in use.
- **Distinctive Appearance:** Features a heathered cattail gray color with a texture-like fabric print, designed to blend with various interior styles.

### 3. SETUP GUIDE

The SONGMICS Storage Cubes are designed for quick and easy assembly. Follow these steps to set up your bins:

1. Unfold the bin from its flat-packed state.
2. Insert the bottom board into the base of the bin. Ensure it lies flat and provides a stable foundation.

3. The bin is now ready for use.

To fold the bin for storage, simply remove the bottom board and collapse the sides flat.
