roliys Preserved Real Rose with Colorful Mood Light Wishing Bottle Instruction Manual

Model: B07ST2WFQT

Product Overview

The roliys Preserved Real Rose with Colorful Mood Light Wishing Bottle features a genuine preserved rose encased in a glass jar, designed to maintain its natural beauty without wilting. The cork lid integrates LED lights that emit various colors, illuminating the rose and creating a mood-enhancing effect. This decorative item is suitable for indoor environments such as bedrooms and parties.

A green preserved rose is displayed within a clear glass wishing bottle, topped with a cork lid. The rose is surrounded by small green foliage and white decorative elements.

Safety Information

- Keep out of reach of children and pets.
- Not suitable for consumption.
- Avoid exposing the product to direct sunlight or high humidity to preserve the rose's quality.
- Do not attempt to remove the preserved rose from the glass bottle.

Setup

Unpacking

1. Carefully remove the Preserved Real Rose Wishing Bottle from its packaging.
2. Inspect the product for any damage. If damaged, contact customer support.

The product packaging includes the roliys Preserved Rose box, an instruction book, and the glass bottle containing the preserved rose.

Battery Installation for LED Light

1. Locate the LED light module on the underside of the cork lid.
2. If present, gently pull out the clear plastic insulating tab from the battery compartment to activate the batteries.
3. If the light does not turn on, ensure the batteries are correctly installed or replace them if necessary.

This image shows a close-up of the cork lid, highlighting the integrated LED light module and its switch.

Operating Instructions

Activating the LED Light

1. Once batteries are installed, slide the switch on the cork lid to the "ON" position.
2. The LED light will begin to illuminate the preserved rose.

Light Modes

1. The LED light is designed to automatically cycle through a variety of colors, creating a dynamic mood lighting effect.
2. To turn off the light, slide the switch on the cork lid to the "OFF" position.

This composite image demonstrates the various colorful mood lighting effects produced by the LED light on the preserved rose bottle, including red, blue, green, and purple hues.

This video showcases the preserved rose bottle with its LED light feature, illustrating how the changing colors enhance the visual appeal of the rose.

Maintenance and Care

- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause the rose's color to fade.
- **Keep Dry:** The preserved rose does not require water. Keep it in a dry environment to prevent damage.
- **Avoid High Humidity:** High humidity can affect the texture and longevity of the preserved rose.
- **Dusting:** Gently dust the glass bottle with a soft, dry cloth as needed.
- **Temperature:** Store at room temperature, avoiding extreme heat or cold.

Troubleshooting

LED Light Not Working

- **Check the Switch:** Ensure the switch on the cork lid is firmly in the "ON" position.
- **Check Batteries:** Verify that the batteries are correctly installed and have sufficient charge. Replace with new batteries if necessary.
- **Insulating Tab:** Confirm that any plastic insulating tab has been completely removed from the battery compartment.
