USAOPOLY USODB004578

Disney Pixar Toy Story Cooperative Deck-Building Game Instruction Manual

Brand: USAOPOLY | Model: USODB004578

1. Introduction

Welcome to the Disney Pixar Toy Story Obstacles & Adventures cooperative deck-building game. This game allows 2-5 players, aged 8 and up, to join their favorite Toy Story characters – Sheriff Woody, Buzz Lightyear, Jesse, Rex, and Bo Peep – in a collaborative effort to overcome challenges and complete adventures. The game features artwork, characters, obstacles, and adventures from across all Toy Story movies and television films, including Toy Story, Toy Story 2, Toy Story 3, Toy Story 4, Toy Story of Terror!, and Toy Story That Time Forgot.

The objective is to work together to achieve your goals before the antagonists succeed or your characters are defeated. Playtime typically ranges from 30 to 90 minutes.

2. Components

The Disney Pixar Toy Story Obstacles & Adventures game set includes the following components:

- 1 x Game Board
- 262 x Cards (including character cards, hazard cards, adventure cards, etc.)
- 65 x Chipboard Pieces (various tokens and markers)
- 5 x Player Boards (one for each playable character)
- 6 x Adventure Boxes (containing cards for sequential game levels)
- 4 x Dice
- 11 x Divider Cards
- 6 x Adventure Tracks
- 6 x Zinc Movers (character pawns)
- 1 x Rulebook
- 5 x Rule Sheets

3. Setup

Follow these steps to set up your game for play:

1. Place the Game Board in the center of the playing area.
2. Each player selects a character and takes their corresponding Player Board and Zinc Mover.
3. Distribute the initial set of cards to each player as indicated in the Rulebook for the chosen adventure level.
4. Place the Hazard, Danger, and Adventure Card decks in their designated areas on the game board.
5. Set up the Adventure Track and place the appropriate Zinc Mover on the starting space.
6. Place the Chipboard Pieces (tokens for imagination, health, etc.) within easy reach of all players.
7. Refer to the specific Rule Sheet for the current adventure for any additional setup instructions.

4. Operating (How to Play)

Toy Story Obstacles & Adventures is a cooperative deck-building game where players work together to achieve a common goal. The game progresses through sequential adventures, each building on the previous one in terms of difficulty and story.

Gameplay Overview:

- **Player Turns:** On each player's turn, they will first address any immediate threats or actions required by the antagonist (often represented by Hazard cards).
- **Playing Cards:** Players then play cards from their hand to gain resources (like "Imagination" or "Insight"), defeat dangers, or activate special abilities. These cards help build a stronger deck over time.
- **Deck Building:** Resources gained can be used to acquire new, more powerful cards from a central pool, adding them to your deck. This improves your ability to face future challenges.
- **Overcoming Obstacles:** Players must strategically use their cards and abilities to overcome various obstacles and dangers that appear throughout the game.

- **Health and Defeat:** Each character has a health tracker. If a character's health drops to zero, they are "shelved" and may suffer penalties, but the game continues as long as at least one character remains active.
- **Advancing the Adventure:** Successfully completing objectives allows players to advance along the Adventure Track, moving closer to the final goal of the current adventure.
- **Winning the Game:** Players win by successfully completing all objectives of the current adventure before the danger track reaches its end or all characters are permanently defeated.

For detailed rules and specific card interactions, please consult the included Rulebook and individual Rule Sheets for each adventure.

5. Maintenance

To ensure the longevity of your game and its components, please follow these maintenance guidelines:

- **Storage:** Store all game components in their original box in a cool, dry place away from direct sunlight and extreme temperatures.
- **Cleaning:** Use a soft, dry cloth to gently wipe down the game board and plastic components if they become dusty. For cards, handle them with clean, dry hands to prevent oils and dirt from accumulating. Do not use abrasive cleaners or immerse components in water.
- **Handling:** Handle cards and chipboard pieces carefully to prevent bending, tearing, or creasing.

6. Troubleshooting

If you encounter any issues during gameplay or with game components, consider the following:

- **Missing Components:** Carefully check all packaging and compartments within the box. If a component is genuinely missing, refer to the Warranty and Support section for assistance.
- **Rule Clarification:** The Rulebook provides comprehensive instructions. If a specific rule is unclear, re-read the relevant section. Online forums or official USAOPOLY resources may also offer clarifications.
- **Game Difficulty:** If the game feels too easy or too difficult, ensure you are playing the correct adventure level for your group's experience. The game is designed with sequential difficulty levels.

7. Specifications

Attribute	Detail
Product Dimensions	11.81 x 11.81 x 0.1 inches
Item Weight	4.58 pounds
Item Model Number	USODB004578
Manufacturer Recommended Age	8 years and up
Number of Players	2-5 players
Approximate Play Time	30-90+ minutes
Release Date	September 18, 2020
Manufacturer	USAopoly

8. Warranty and Support

For information regarding product warranty, replacement parts, or customer support, please refer to the official rulebook included with your game or visit the USAOPOLY (The Op Games) official website. Contact details and warranty policies are typically provided by the manufacturer.
You can find more information and support at the USAOPOLY Store on Amazon.
