## VIZIO SB2020n-G6

# VIZIO 20" 2.0 Sound Bar (SB2020n-G6) Instruction Manual

Model: SB2020n-G6 | Brand: VIZIO

## INTRODUCTION

This manual provides essential information for the proper setup, operation, and maintenance of your VIZIO 20" 2.0 Sound Bar (Model: SB2020n-G6). Please read through these instructions carefully to ensure optimal performance and longevity of your device.

Image: The VIZIO 20" 2.0 Sound Bar (SB2020n-G6) in black, accompanied by its remote control. The soundbar features a sleek, rectangular design with speaker grilles on the front and sides, and a silver-colored end cap on the left. The remote control is also black with silver accents.

## WHAT'S IN THE Box

Verify that all components are present in the packaging:

- Soundbar
- Power Cord
- Quick Start Guide
- User Manual
- XRS520n-GM Remote
- RCA to 3.5mm Audio Cable
- Optical Digital Cable
- Stereo RCA to 3.5mm Adapter

## SETUP

---

### 1. Physical Connection

Connect the soundbar to a power outlet using the provided Power Cord. Connect the soundbar to your television using one of the following audio cables:

- **Optical Digital Cable (Recommended):** Provides high-quality digital audio.
- **RCA to 3.5mm Audio Cable:** For analog audio connections.

Ensure cables are securely connected to both the soundbar and your TV's corresponding audio output ports.

### 2. TV Audio Settings

After connecting the soundbar, adjust your TV's audio output settings to ensure sound is routed correctly and to prevent audio conflicts.

1. Access your TV's **Settings** menu.
2. Navigate to **Display & Sounds** or a similar audio settings section.
3. Turn **OFF** your TV's built-in speakers to avoid echo or distorted sound.
4. Locate **Digital Audio Format** or **Audio Output Format**.
5. Change the setting from 'Auto' or 'Dolby Digital' to **PCM** (Pulse-Code Modulation) for optimal compatibility and sound quality with the soundbar.

### 3. Bluetooth Pairing

To connect a Bluetooth device (e.g., smartphone, tablet) to your soundbar:

1. Press the **Bluetooth (BT) button** on the soundbar or remote control. The soundbar's indicator light will flash blue.
2. On your device, enable Bluetooth and search for available devices.
3. Select "VIZIO SB2020n-G6" from the list to pair.
4. Once connected, the indicator light will turn solid blue.

### 4. Wall Mounting

The soundbar can be wall-mounted using appropriate hardware (not included). Refer to the wall mounting template in the user manual for proper placement and spacing relative to your TV.

## OPERATING

---

### 1. Soundbar Controls

The soundbar features integrated buttons on its top surface for basic control:

- **Power Button:** Turns the soundbar on or off.
- **Input Button:** Cycles through available audio inputs (Optical, RCA, Bluetooth).
- **Bluetooth Button:** Initiates Bluetooth pairing mode.
- **Volume Up/Down Buttons:** Adjusts the master volume level.

## 2. Remote Control Functions

The included XRS520n-GM Remote provides comprehensive control over your soundbar:

- **Power (Red Button):** Turns the soundbar on or off.
- **Input Selection (HDMI, OP, BT, AUX, USB):** Directly select audio sources.
- **Volume Control (VOL+, VOL-):** Adjusts the master volume.
- **Mute:** Silences the audio output.
- **Bass Control (BASS+, BASS-):** Adjusts the bass level.
- **Sound Modes (STANDARD, MUSIC, MOVIE, DIALOG, NIGHT, 3D):** Optimize audio for different content types.
- **Playback Controls (Play/Pause, Skip Forward/Backward):** For Bluetooth or USB audio playback.

## 3. Indicator Lights

The LED indicator on the soundbar provides status information:

- **Solid Red:** Standby mode.
- **Solid Orange:** ARC input selected.
- **Solid Purple:** AUX input selected.
- **Solid Green:** Optical input selected.
- **Flashing Blue:** Bluetooth pairing mode.
- **Solid Blue:** Bluetooth connected.

## MAINTENANCE

To maintain the performance and appearance of your VIZIO Sound Bar:

- **Cleaning:** Use a soft, dry cloth to clean the soundbar's surface. Avoid abrasive cleaners or solvents.
- **Ventilation:** Ensure adequate airflow around the soundbar. Do not block ventilation openings.
- **Placement:** Avoid placing the soundbar in direct sunlight, near heat sources, or in areas with high humidity.

## TROUBLESHOOTING

Problem	Solution
No sound from soundbar.	<ul style="list-style-type: none"><li>• Ensure power cord is securely connected and soundbar is powered on.</li><li>• Verify correct audio input is selected on the soundbar (match TV output).</li><li>• Check TV audio settings: Turn off TV speakers and set Digital Audio Format to PCM.</li><li>• Increase volume on both soundbar and TV.</li></ul>

Problem	Solution
Distorted or poor sound quality.	<ul style="list-style-type: none"> <li>Ensure audio cables are securely connected.</li> <li>Try a different audio cable (e.g., Optical instead of RCA).</li> <li>Adjust TV's Digital Audio Format to PCM.</li> <li>Experiment with different sound modes on the remote.</li> </ul>
Bluetooth device won't pair.	<ul style="list-style-type: none"> <li>Ensure soundbar is in Bluetooth pairing mode (flashing blue light).</li> <li>Move Bluetooth device closer to the soundbar.</li> <li>Clear previous Bluetooth connections on your device and try again.</li> </ul>

## SPECIFICATIONS
